## AN APPEAL ON BEHALF OF THE CIVIL ORPHAN ASYLUMS, MADRAS.

The Madras Civil Orphan Asylums were founded just a hundred years ago for the gratuitous education, board and lodging of male and female orphans of Europeans and their descendants who are not eligible for admission into the Military Asylums in the Presidency.

The Institutions are managed by a Directorate elected by the subscribers and, as will be seen by a perusal of the names of the Directors, it is of a particularly representative character. All Clergy of the Church of England in the Diocese are *ex-officio* patrons of the Institutions.

Though the religious instruction imparted is in accordance with the tenets of the Church of England, destitute orphans of all denominations are admitted. The only qualification for admission is that a child shall be an orphan of Europeans or their descendants and in necessitous circumstances.

During the past 10 years the average number of children on the rolls of the Asylums has been about 170, and a large proportion have, through the instrumentality of the administration, on leaving the Asylums, been placed in positions that enabled them to earn an honest and respectable livelihood. As an instance of this it may be mentioned that during last month four have got appointments in the Eastern Telegraph Company, Bombay, on a monthly salary of Rs. 40 each.

The Asylums are mainly supported by voluntary contributions and although the money which, through the generosity of the public, is subscribed is expended with the utmost care and with rigid economy, the difficulty of finding the necessary funds is a source of continual anxiety to the Directorate. The cost of maintaining the children has, of late years, risen considerably and is now Rs. 17-8 per head per mensem against Rs. 15-0 per head per mensem in former years. With nearly 200 children to maintain this increase is a serious one. The Directors are now faced with a deficit of about Rs. 4,000 in the Budget for the current year and unless additional subscriptions are forthcoming the question of reducing the number of children admitted will have to be considered. To those acquainted with the good work of the Institutions, a reduction in the number of children admitted would be a most deplorable necessity. The large number of pitiful cases which come before the Directorate show the necessity for the Asylums and the valuable position which they occupy in regard to the well being of the community.

At present few subscriptions are received except from a comparatively small number of residents in the City of Madras. But orphans throughout the Presidency are eligible for admission. Applications for admission of orphans are received from all parts of the Mofussil and admissions are made without any distinction of place. The Directorate, therefore, make this appeal to all those in the Mofussil and also in Madras City who are not now subscribers.

In subscribing to the Civil Orphan Asylums the public have the satisfaction of knowing that the money is being expended to the best advantage, that they are supporting a thoroughly well-organised and well-administered institution, and that money subscribed is charity in the fullest sense of the word.

Donations of any amount are thankfully received, but regular monthly subscriptions are an even greater help to the Asylums. Donations and subscriptions may be paid to the Honorary Secretary, W. D. St. Leger Esq., or to the Honorary Treasurer, A. J. Rebeiro Esq., or to the credit of the Asylums at the Bank of Madras.

The Annual Report for 1907, which contains a financial statement and other particulars, will be sent to any one applying for a copy to the Honorary Secretary, Civil Orphan Asylums, Kilpauk, Madras, W.

## STATEMENT OF THE OBJECT, AND AN APPEAL ON BEHALF OF THE CIVIL ORPHAN ASYLUMS.

THE MADRAS CIVIL ORPHAN ASYLUMS were founded ninety-nine years ago for the gratuitous education, board and lodging of the orphans of Europeans and their descendants, who are not eligible for admission into the Military Asylums in the Presidency. They have thus stood the test of time, and continue to retain public confidence.

It is no easy task to feed, clothe, and educate one hundred and fifty orphans. It is a still more difficult matter to successfully launch out in life these children, educated up to the Lower Secondary Standard, to make their way through the ever-increasing crowd of better educated competitors.

The necessity, character and scope of the work done in these Institutions are well known to the general public in Madras, and the help received is practically confined to the residents in this city. But all orphans throughout the Presidency are eligible for admission. This fact, it may be assumed, is generally known throughout the Mofussil, from the applications which are made from various stations for the admission of orphans; but the Directors regret that the claim *resulting from this fact*, upon persons residing in the Mofussil, for some contribution towards the support of these Institutions, does not appear to be so generally recognized.

These Institutions are managed in an admirable manner by a particularly strong Directorate, who are elected by the subscribers.

The Bishop of the Diocese is the President, the Archdeacon is the Vice-President, and the rest of the Clergy of the Church of England are *ex-officio* Patrons of these Institutions. Though the religious instruction imparted here is in accordance with the tenets of the Church of England, destitute orphans of all denominations are admitted.

The Directors, therefore, earnestly request the Clergy in the Presidency and Mofussil, either to make regular periodical collections in their Churches in behalf of the Asylums, or else to circulate this appeal, together with the accompanying report, among the European and Eurasian residents at their stations, who are particularly invited to come forward and contribute, according to their means, towards the support of Institutions which provide such efficient relief for the destitute and distressed members of their own community.

#### Health.

Details of admissions to Hospital, &c., will be found in the Medical Officer's Report (Appendix B.)

#### Directorate.

The following changes occurred on the Directorate:—

Mr. J. R. Coombes resigned his seat subject to being called in on his return to India after 6 months, and Mr. H. S. Fraser also resigned.

The following gentlemen were nominated as interim Directors:—  
Messrs. L. E. Kirwan and A. R. Anderson.

#### Finance.

The year opened with a balance of Rs. 1,404-12-9 and closed with a debit of Rs. 1,571-0-11. A considerably larger deficit was anticipated from the budget for the year, and though this has, to a great extent, been reduced by strict economy in expenditure, and an increased feeding grant from Government, the Asylum's account at the Bank of Madras was on several occasions overdrawn, with the result that a sum of Rs. 140 has been charged for interest on overdrafts. The current year promises to be one of still greater financial difficulty and special steps are being taken to wipe out the debt with which the year opened.

A comparative statement of Receipts and Expenditure for 1907 and 1908 is given below. Current subscription show a marked decline, and are the lowest on record since 1894. Some explanation of this decline may be found in the fact that very generous support was accorded to the "Cafe Chantant," which was organised by the Ladies of the Committee, and held in the early part of the year. The proceeds, which were intended for the special object of providing furniture for the Assistant Mistresses' quarters, amounted to Rs. 1,433-5-5, the greater part of which has been utilised in the purchase of furniture and a piano.

During the year there was much sickness amongst the Teaching Staff.

Miss Long, appointed in January, was compelled to resign in March after a severe illness. Miss Francis was appointed as Pupil Teacher and took her class *pro tem*.

Miss Wilkins resigned on Medical Certificate and was replaced by Miss Patton.

Miss Turnbull resigned on 1st August 1908 and subsequently died. She was replaced by Miss Drew.

Miss Conolly, Pupil Teacher, resigned to take up a better situation.

Mr. Renny resigned in November and was replaced by Mr. Jordan.

Mr. Conolly, Band Master, resigned owing to sickness and was succeeded by Mr. Cumine, an old pupil of the School, and late Sergeant in H. E. the Governor's Band.

(By Order).

W. D. ST. LEGER,  
Honorary Secretary.

## APPENDIX A.

## The Garrison Chaplain's Report.

There have been many changes in the staff during the year under review, mostly through illness, this of course affects the progress of the pupils.

The last report from the Inspector reads, "Considerable improvement has been made in this School," this has been brought about by the loyal co-operation, and the attention paid by the teaching staff to the hints given for their guidance by the Inspector, and by the adoption of up-to-date methods.

This must be gratifying to all, and we congratulate Mr. Bartlett and his staff on their success, and hope they will take heart and go on to further and better efforts. The morals and discipline of the pupils are all that could be desired.

## RELIGIOUS SIDE.

A service with an address is held every Sunday and Holy Communion is administered once a month.

## EXAMINATIONS.

On 4 months' work, 14 pupils were entered for the Peter Cator Examination. Two passed in 2nd class.

## DIOCESAN PRAYER BOOK EXAMINATION.

Intermediate Grade. 16 entered. Two gained certificates of merit, nine pass certificates.

Elementary Grade. 26 entered. One gained the Bronze Medal (1 mark short of the Silver Medal). Three gained 2nd class Book prizes, 9 certificates of merit, and 9 pass certificates.

The Rev. W. A. Reeves, who kindly examined some of the pupils in I Sam., says: "The papers show a sound knowledge of the narrative, and the oral instruction had been carefully and well given, the answers were prompt and correct," this reflects great credit to the teachers.

In the short time I have had to personally observe the education (Secular and Religious) I have perceived that the children are well and carefully taught and I am sure there is no need for me to exhort Mr. Bartlett and his staff to persevere and endeavour to attain even better results in the future.

G. C. A. SMITH,  
*Garrison Chaplain.*

## APPENDIX B.

### Annual Medical Report of the Civil Orphan Asylums, Madras, for the year 1908.

#### I.—GENERAL HEALTH.

There were 194 admissions into hospital against 290 in 1907 and 288 in 1906. This shows a great decrease as compared with previous years; but is accounted for by the fact that 55 cases (39 to the Isolation Hospital, 14 to the General Hospital, and 2 to the Ophthalmic Hospital) were sent to other hospitals during the year.

The blood of many of the fever cases examined showed malarial parasites.

The sanitary condition of the surroundings of the Asylum is not satisfactory.

#### II.—DEATHS.

There were no fatal cases during the year.

#### III.—DIET.

No changes were introduced into the Diet Scale, but the tea hour was changed to 6-30 P.M. so as to decrease the long fast preceding the early morning coffee.

#### IV.—CONSERVANCY AND BATHING.

The arrangements for bathing are satisfactory. The swimming bath continues to give wholesome recreation to many of the bigger boys.

#### V.—EPIDEMICS.

Chicken-pox broke out towards the end of October last and terminated just as the school broke up for the holidays. The disease was of a mild type and was attended with no serious consequences. There were altogether 39 attacks including a teacher of the female Asylum (Miss Holman). The disease was prevalent during August in an adjacent hamlet (beyond Municipal limits) and the school did not escape the epidemic. All the cases were sent to the Isolation Hospital at Krishnamapet, except the last two which were treated locally.

#### VI.—HOSPITAL BUILDINGS.

Some minor repairs to the hospital buildings were effected during the year. The sheds also were given due attention but being temporary structures they are continually in need of repairs. There are no bugs in the hospital itself, though the main buildings are still far from free in spite of the adoption of various measures.

## VII.—COST OF MEDICINES.

Rs. 68-10-1 as compared to Rs. 106-1-8 in 1907.

## VIII.—THE CHICKEN-POX EPIDEMIC.

As cases of Chicken-pox in the children were sent away to the Isolation Hospital as fast as they occurred, there was no need to apply for the services of an additional nurse during the epidemic. The adoption of this plan must have resulted in saving of expense, as all the sick children were provided for in medicine and diet by the Municipality.

## IX.—STAFF.

Major R. H. Elliot left for England on leave and handed over the Asylum to me on 23rd March 1908 (afternoon).

Civil Apothecary, B. dePrazer, continued in sub-charge throughout the year. Nurse Arnold resigned her appointment to better her prospects; and was succeeded by Nurse Ignatius on 14th November last.

## X.—GENERAL REMARKS.

All cases of serious illness are, as a rule, sent to the General Hospital.

The following cases were sent to other hospitals as in-patients during the year:—

14 cases (10 boys, 4 girls) to the General Hospital, 2 cases (1 boy, 1 girl) to the Ophthalmic Hospital. Excluding those sent to the Isolation Hospital.

One of the boys (W. Nagle) with tubercular disease of the hip, admitted into the General Hospital on 20th May last, is still there.

I owe my thanks to the Medical Officers of the General Hospital who have, with their usual courtesy, assisted with opinions and help whenever necessary.

The ladies continue to take a kindly interest in the children when in hospital and provide them with toys, books, &c. Mr. dePrazer, the Civil Apothecary, has taken a keen interest in the welfare of the children and has done excellent work.

Both nurses (Arnold and Ignatius) discharged their duties satisfactorily and rendered good work during the year.

No. 101 Educational dated 30th March 1874. <sup>+ E.M.S. no 1577 dated 18-12-55</sup> But during the year 1908 the receipts from subscriptions and donations amounted to Rs. 2,884 only.

3. In the year 1894 also the subscriptions and donations fell short of the prescribed minimum of Rs. 3,000 and amounted to Rs. 2,520 only. The Government thereupon treated the church collections amounting to Rs. 118 and an extraordinary contribution from the Madras Dramatic Society amounting to Rs. 220 as subscriptions and donations. But as all these three items, taken together, did not reach the prescribed minimum of Rs. 3,000 the Government reduced the annual grant proportionately and paid only Rs. 1,171 vide G.O.

No. 574 Educational, dated 11th July 1895 and the notes there-with. Also G.O. no. 476 Edl & 24-6-92.

4. During the year 1908 the Church collections amounted to Rs. 248, and if this is added, as was done in the year 1894, to Rs. 2,884, the receipts from subscriptions and Donations, the amount realized from private subscriptions will be Rs. 3,132 and the condition that private

subscriptions should not fall short of Rs. 3000 will be fulfilled. It will also be noticed that under "Extraordinary Receipts" a sum of Rs. 1700 was realized during the year. This sum apparently includes the proceeds of the "Cafe Chantant" amounting to Rs. 1433, which was organized with the special object of providing furniture for the Assistant Mistresses' quarters. The Directors of the Asylum note that in the generous support accorded to this "Cafe Chantant" may be found some explanations of the decline in the receipts from subscriptions and Donations, vide the second para, under "Finance" on page 5 of the report.

5. The receipts from the Church collections may, if it is submitted, be treated as receipts from private subscriptions and the payment of the Government Donation of Rs. 1200 to the Asylum for the year 1908 may be sanctioned.

6. The draft placed below is for approval.
