FROM

THE REVEREND W. H. G. PADFIELD, M. A.,

PRINCIPAL AND SECRETARY,

The Secretary to Government,

Educational Department.

"THROUGH THE DIRECTOR OF PUBLIC INSTRUCTION, MADRAS."

SIR,

In submitting the enclosed plan and Estimate for Rs. 7,430- for favour of sanction by Government, I have the honour to state that a sum of Rs. 5,200 was sanctioned for improvements of what is known as the "FARM" buildings at the Asylum in Budget of 1908-09.

2. On revised Estimate being submitted by Executive Engineer (as per letter A attached), this amount was found to be Rs. 5,700 and the extra Rs. 500 was paid into the Treasury before the close of the Official year by the Committee on the 1st March 1909.

3. When the work was about to be started, it was found that the bulk of this money was to be spent in providing a double masonry drain round the "FARM" buildings and not on improving the buildings.

4. The committee considered that, as the need for additional accommodation for masters was so very urgent, it would be better to expend the money on the improvement of the buildings, and mainly in converting an old store room, which formed part of them, into quarters for two masters.

5. The Committee therefore solicit the sanction of Government to the ~~payment~~ payment of Rs. 7,430 less the Rs. 5,700

3

which has already been paid into the Treasury from last year's budget, i-e, to the payment of Rs.1,730 from Asylum Funds.

6. As (i) the main part (Rs.5,700) of the money had already been paid to the P.W.D,

(ii) the materials partly collected on the spot,

(iii) the need for additional accommodation for

masters a very urgent necessity,

the work has been started in anticipation of sanction of Government, and the Committee trust that the Government will be pleased to approve of the action of the Committee and accord the necessary sanction.

I have the honour to be,

Sir,

Your most obedient Servant,

W. G. Keeling
Principal and Secretary.
