I have the honour to request the reconsideration
of the orders passed in G.O.No.632, Educational, dated

To The Chief Secretary to the Government of Madras.

Sir,

With reference to Educational department Memorandum
No. 85-1, dated 16th February 1909, I have the honour to
state that at present Chola Unnian can read and write
Malayalam and speak Hindustani. He has only just
begun to study English and could not therefore go
through the course in the Provincial Training School, Vellore,
where the instruction is all in English. As I have
already reported in my letter R.C.No.480/P.R., dated
19th September 1907, disposed of in G.O.No.687 Mis.
Educational, dated 10th October 1907, he would have to
be specially trained in Malabar where he could study
all the subjects in Malayalam. I anticipate no
difficulty regarding this as a similar course was
followed in the case of K.V.Ahmed Kutti who was

exempted by Government in G.O.No.391-R, Educational, dated 21st
November 1906, and the result was that he was confirmed as

3. I may mention that the Superintendent of Police,
Tinnevely, reports that Chola Unnian has an aptitude for
picking up languages.

I have the honour to be,

I regret that I cannot find any justification for exemption. But fact it w^d be impossible to require an exemption. The man does not know English!

G. F.

I do not know that the man's ignorance of English sh^d be a bar to his exemption. I imagine that in other provinces it is to expect for their men to know English, & for the work of a Station House Officer I do not consider that the knowledge of English is necessary.

I quite appreciate the importance of getting educated men into the Police, but a too rigid adherence to tests especially in Malabar will lead to our Station House Officers there being nothing but Puthi Bramins & a class who have always done grave mischief in Malabar. Elsewhere we get too many Bramins, but in Malabar

Especially in the Moplah Taluqs we ^{specifically} do not want Brahmins; in fact we don't want Hindus. The population is almost entirely Moplah & to my mind the Station house officer sh^d if possible be one of the people themselves.

It is not the incompetency of our former Station house officers which did so much harm as their dishonesty.

This man has a good character & is said to be very intelligent. He is a Moplah. And at present we only have fine Moplah Sub Inspectors. I am ready to consent to this man being exempted - to work in the Moplah Taluqs of Malabar.

The best work ever done in Malabar in putting down dacoity was done by Chey Kutti an Inspector who knew hardly any English, but who was a Moplah & of influence in the Moplah Taluqs.
