To

His Excellency

THE RIGHT HONOURABLE THE GOVERNOR IN COUNCIL

Through

Fort St. George.

The Collector of Malabar

Calicut.

The humble memorial of K. Ayidross Kutti, Dufterbund, Taluk Office Ponnani.

Humbly showeth,

That with profound respect and great pain of mind the humble memorialist begs to lay before your Excellency in council the following his grievances and earnestly prays that they may receive your Excellency's merciful consideration.

1. That your Excellency's humble memorialist is a young moplal (mohammadan) belonging to a very ancient and respectable family in South Malabar which pays an assessment of nearly Rs. 75 annually to Government, and owns property worth about Rs. 7000, that not only is he related to the present Makdoo Tang of Ponnani, who is the highest authority among all the Mohammadans (moplals) including of the District in religious and spiritual matters, but also several of his relations had rendered efficient and valuable assistance to the state on the occasion of moplal fanatical outbreaks in past years and their services were fully appreciated and recognized by the then British Officers in the District.

2. That the memorialist's own father has been in the service of Government for the last 22 years and is now in the District Munsiff's Court Tiroor; that the memorialist himself has been honestly and faithfully serving Government since September 1902 as a Dufterbund in the Sub-Magistrate's Court, which appointment was conferred upon him unsought by Mr. R. F. Austin. I. C. S. the then Divisional Officer of Palghat; and that from the enclosed copies of testimony your Excellency will be graciously pleased to observe that throughout his service of nearly 7 years under Government he always endeavoured to make himself useful and to give credit to the above gentleman's nomination of him.

3. That the memorialist has passed the Lower Secondary Examination in 1901 and possesses a fair knowledge of English and Malayalam and has the will and diligence to discharge the duties entrusted to him; but his not having passed Matriculation Examination stands in the way of his rising in the Department which he now is; and that while he was brooding over his unfavourable position he learned that hands were being selected for appointments of Sub-Inspectors in the Police Department. That having then applied for one of the places, the memorialist's application was strongly recommended by the District Superintendent of Police and the Deputy Inspector General was also pleased to support the same and that the memorialist was then selected among others for services in Malabar, the selection made from Tinnavelly. He was also passed by medical authorities to his sad disappointment and great sorrow he was informed by the Inspector General that the Government refused to sanction his exemption from the Matriculation examination for employment as a Sub-Inspector:—

Sir,

I have the honour to bring to your notice the occurrence about the murder of Ke. Bawa of Tanalur avaram & Dalakhi - Kathu Dessem and Dacivity in his house the night of the 23rd instant.

At about 7 o'clock this morning one Shanu Kutta brother of the deceased came to the station and said that one Kolathumparam lit Avaram and 5 others last night at about 2 Am. Broke open ~~his house~~ the wall and entered his house, murdered his brother and carried away properties worth about Rs 200. I just then recorded a complaint and at once proceeded to the scene of offence. When I reached the place the adigar was present and the deceased Bawa was found lying in a mat on the eastern verandah of his house. He has several ^{severe} wounds on his all his body said to have been made by the thieves when he attempted to catch hold of one of the thieves. I am satisfied that the ~~man~~ deceased met his death by these wounds.

I examined the following statements

(1) Shanu Kutta brother of Bawa the deceased speaks to the fact that when he was sleeping on the side he was loudly called by his brother to get his aid in catching the thieves who have

He ^{went} proceeded in haste from the veranda where he was lying and then ^{heard} found his brothers catching a thief, and ~~two others~~ crying "not to kill" and at the same time saw him falling and the thieves 6 in number running out side.

He identified one Kolothum Paramatil Avaran among the 6 ~~thief~~ thieves. He ~~does~~ ^{did} not know the ~~reem~~ ^{reem} being five, He cried out "Thieves" three and ~~about the~~ ^{the} ~~door~~ ^{door}. He went to his near to his brother but he could not speak a single word. He asked his Servant m. Kutti to bring a little water which was at once brought and given to his brother in his mouth and he ^(brother) breathed his last without speaking a single word. He with the help of his Servant m. Kutti removed his brother from the kitchen room where he often took place to the ^{inner} ~~other~~ room and laid up in a mat. He identified the thief by the help of a match stick.

2) The Servant m. Kutti corroborates this story. He says he could not identify any one of the thieves, but he saw ~~some~~ ^{some} five or six persons running out side & with some Samans in their hands &c.

3. N. Kali Raju a closed neighbour, ^{says} ~~who~~ ^{who} about mid night, heard a cry and got up. He then understood that the cry was from the deceased's house he at once ran to the spot. While he was proceeding to the house he saw one Kolothum Paramatil aware with a box in his shoulder and ~~another~~ ^{another} one Angeli Kumbhava with ~~another~~ ^{another} box in his shoulder and some others whose names he does not remember with some bags &c in their hands. Coming out of the compound of the deceased. When the witness asked them from where they were coming and ^{what} the cry they replied in severe tone that it is better for us to go away. He at once gave them way and proceeded to the scene. He found there the deceased lying in a mat. and there came two other witnesses. He asked the 1st witness

to inform the police and the avarani adigari
4) He. Panji Atchan who came to the speaking
the day supports the 3rd witness to Kali Raga. but says
he could identify only one Angalakath Kumbhava.
5) Keraffian a shop keeper closely who speaks
to the fact that he, when he was lying on the
veranda of his shop heard some loud noise
of some persons running. He then rose up and
then heard a loud cry as "thieves" thieves. He
could not identify any one of them, and as there was
none in his shop he did not go run behind
the persons running & nor to place from where
the cry was heard. Early morning he came
to the shop and ~~found~~ saw Bra lying ~~murdered~~
he murdered in ~~place~~ ^{place} a man

6) P. Atchudan ~~another~~ who speaks to the fact that
he was ~~go~~ watching his ~~field~~ ^{factory in the field} at about
mid night he saw men Kolothum parambil Avarani
2. Angalakath Kumbhava. 3. mavankumath Ayga/ham
4. Cheruman Kari and two others. going in haste
to the east ward. He then asked them he found
marks of blood on all the mundus worn by Kumbhava &
Ayga/ham. He knows their conduct before and
fearing that they will ~~harm~~ ^{disturb} him did not go to
speak a single word to them. He early more
saw the deceased brother Athamed Antu who
was going to the Police and asked him why he was
going? then Athamed Antu told him that his brother
was murdered & the properties carried away
by the thieves last night, then the witness informed
him what he saw last night,

to enquire about ^{by} these evidence I am ^{going} ~~come~~
that Kolothum parambil Avarani and others spoken
by the witnesses. the body was examined along
with the avarani and Convised that the de
was ~~caused~~ ^{the deceased} was due to the result of murder
by the thieves when he attempted to catch hold
of the thieves - the The dead body was
