To

The Hon'ble Dr. A.G. Bourne, F.R.S.C.I.E.,

Director of Public Instruction,

M a d r a s.

S i r ,

I beg to inform you that I intend bringing out four small books on plant life in the vernacular languages Tamil, Telugu and Canarese as aids to Nature Study in Elementary schools. They are designed to give considerable help to the lower grade teachers in Nature study and school gardening. It is proposed to introduce as illustrations a few coloured half tone reproductions to make the series attractive and useful.

I request the favour of sanction for publishing these books.

I also beg to add that I am bringing out Telugu and Canarese editions of "Tamil Botany" along with a second edition in Tamil.

These books are to be published at the cost of Messrs. P.R. Rama Iyer and the copyright rests with me and it is to be disposed of at the earliest opportunity. The terms agreed upon with the publishers are that the first item to be met from the sale proceeds is the cost incurred in the publication and that the profits to be shared equally for this edition only. The price to be fixed is to be as low as possible.

I beg to remain &c.

/Signed/ K.Rangachari.
