From (Name) J. B. Henderson Esq. M. B. C. M. F. L. S.
(Designation) as Director. Marine Aquarium.

To The Secretary to the Government of Madras,

Educational Department.

Sir,

With reference to article 1 of the Public
Service Notification, I have the honour to
request the sanction of the Government to
the temporary exemption of Mr. Parasuramen
Second Keeper on protection at the Marine
aquarium, for appointment as Head Keeper
Sub problem. An application in the pre-
scribed form is enclosed.

keeper on probation on a pay of Rs 10-1-15 in
December last. As will be seen from paragraph
11 of my last annual report, the work at the
aquarium was for some time mainly of an
experimental character, and it was considered
inadvisable to throw the institution open to
the public during the continuance of the ex-
perimental stage. Pending the opening of the
aquarium, the post of Headkeeper was left
unfilled. In consequence of this, Parasuramen
had very heavy work in stocking the tanks
with fish, and looking after the aeration and
the circulation of water. As the aeration and
circulation have to be kept up both by day
and by night, Parasuramen had a conside-
rable amount of night work in addition to
his daily duties. I consider that owing to the
increased work that has fallen on him owing
to the fact that he had to carry on his duties
singlehanded, he deserves some additional
remuneration and that the most suitable
way of giving him an additional allowance
will be to appoint him subprotem to the post
of Headkeeper with retrospective effect from

the date of his appointment as second keeper
till the opening of the institution to the
public and the appointment of a Headkeeper.
I regret I am not yet in a position to
say definitely when the aquarium will
be opened to the public as the Public
Works Department have yet to carry out
certain repairs, but I may state that
arrangements are being made to fi-
nish this work as soon as possible and
to open the aquarium at the earliest
practicable date.

3. I have in these circumstances
the honour to request that the Government
will be pleased to sanction the tem-
porary exemption applied for.

I have the honour to be,

Sir,

Your most obedient servant,

J. R. Henderson

C.No.1539, from the Director, Marine Aquarium,, No.58, dated 11th August 1909.

Subject.

Requesting that M.Parasuraman, Second Keeper in the Marine Aquarium may be exempted temporarily from the examination rules for employment as Head Keeper.

- do - do -

The permanent establishment of the Marine Aquarium consists, among others, of a Head Keeper on Rs18-2-30 and a Second Keeper on Rs10-1-15 per mensem. Pending the opening of the Aquarium the post of Head Keeper has not been filled and in consequence of this, the Second Keeper had to do a considerable amount of night work in addition to his daily duties. The Director of the Aquarium (Mr.Henderson) considers that the Second Keeper should be remunerated for the additional work he had to do and therefore proposes to appoint him sub protem to the post of Head Keeper and pay him the enhanced salary attached to that post with retrospective effect from the date of his appointment as Second Keeper till the opening of the Aquarium to the public and the appointment of a Head Keeper. Hence the present application for the Second Keeper's exemption from the examination rules.

2. It is for consideration whether sufficient grounds have been shown for the exemption applied for. If the Director thought that there was really more work to be done by the Second Keeper than what was legitimately his share, there was nothing to prevent the Director of the Aquarium from appointing a person to the post of ~~the~~ Head Keeper, ~~and~~ since that appointment had already been sanctioned by Government - vide G.O.N.

A

622, dated 21st September 1906. The Director's present proposal to appoint the Second Keeper temporarily to the post of Head Keeper merely for the purpose of enabling him to draw the enhanced salary attached to that post does not seem to be justifiable.

3. Orders are solicited as to whether, in these circumstances, the exemption now applied for may be sanctioned.

P.R.
16-8-09.

Mr. Henderson applies for the temporary exemption from the examination rules from 1st December 1908, until a permanent Head Keeper is appointed, of M. Parasuraman, the Second Keeper of the Marine ^{Aquarium} ~~Station~~, so as to enable him to appoint this man as sub protem Head Keeper. The appointments of Head Keeper and Second Keeper of the Marine ^{Aquarium} ~~Station~~ are vested in Mr. Henderson and the Government do not appear to be at all concerned with the question of the appointment of the Second Keeper as Head Keeper temporarily. All that Government seem to be concerned in the present reference is as regards the temporary exemption from the examination rules of Parasuraman for employment as sub protem Head Keeper. The only valid ground on which such a request can be supported is that passed men cannot be obtained for the post of Head Keeper. No reference has been made to this in the Director's letter and it is not stated whether any, and if so, what efforts were made to secure a passed man for the Head Keeper's place. The recommendation to exempt the Second Keeper is based entirely on personal grounds and cannot, it is submitted, be accepted.
