CR. 1530.

See.

It is stated that the applicant was preferred to a passed candidate in account of his experience. It does not seem a very good reason for not employing a passed man.

CR.
M. S. 9

No steps have been taken to endeavour to procure a passed man. Refuse exemption.

M/S.

Draft is submitted for approval.

2. The candidate, it is submitted, is not an "unpassed man" in the ordinary sense of the term. He has not passed the examination prescribed for the Subordinate and Surveyor class of the College of Engineering, which is required of a candidate for the post of Surveyor under the Public Service notifications but.

vide p. 7 of the notification - D.

NOTES.

but he has passed the Govt Technical Examination in Surveying and Levelling (Intermediate Grade) and holds also the following certificates awarded under the notification regulating the Government Technical Examinations: -

- (1) A Group Certificate in Surveying,
- (2) A Draftsman's Group Certificate in Mechanical Drawing, and
- (3) An ordinary Group Certificate in Mechanical Drawing.

2. The Draftsman's Group certificate in mechanical drawing awarded under the Govt Technical Examination Scheme is recognized as a qualification for the post of Draftsman in any department in the same way as the examinations prescribed for the Engineer Subordinate class and the Draftsman class of the College of Engineering.

3. As the candidate under reference possesses a group Certificate in Surveying in addition to two group certificates in Mechanical Drawing, it was thought that his case differed from that of an entirely 'unpassed candidate' and in this view, and also in view of the remarks in columns 8 and 10 of the application, the draft order previously submitted sanctioned his temporary exemption.
