GOVERNMENT OF MADRAS.
EDUCATIONAL DEPARTMENT.

READ—the following paper:—

Letter—from Sir HAROLD STUART, K.C.V.O., C.S.I., Secretary to the Government of India, Home Department (Education).
To—the Secretary to the Government of Madras, Educational Department.
Dated—Simla, the 21st August 1909.
No.—735.

The attention of the Government of India has recently been drawn to the fact that in several instances officers who have been appointed by the Secretary of State to fill temporary vacancies in the Indian Educational Service, have been allowed to return to England on the termination of their engagements, and have not been provided with permanent employment. In view of the difficulty which is experienced in filling vacancies in the Indian Educational Service the Government of India consider it very desirable that, whenever it may be found possible, the services of a temporary officer, whose work as such has been satisfactory, should be retained permanently. I am accordingly to request that, in such cases whenever the Governor in Council does not see his way to providing permanently for the officer, a report upon him and his work may be submitted in future, at least three months prior to the expiry of his engagement, together with the recommendation of the Governor in Council for his permanent employment in some other province.

2. I am to ask that the above course may be followed in the case of Mr. C. H. Lobban, who was appointed temporary Professor of Civil Engineering, for two years, in the Secretary of State's despatch No. 3, Public, dated the 6th March 1908.

Order—No. 513, Educational, dated 7th September 1909.

The attention of the Government of India has recently been drawn to the fact that in several instances officers who have been appointed by the Secretary of State to fill temporary vacancies in the Indian Educational Service have been allowed to return to England on the termination of their engagements, and have not been provided with permanent employment. 2. The Director of Public Instruction will be requested to note the instructions of the Government of India for future guidance, and he will be informed that the course therein indicated should be followed, if necessary, in the case of Mr. C. H. Lobban, who was appointed temporary Professor of Civil Engineering for two years by the Secretary of State in March 1908. At present it is probable that if Mr. Chatterton is confirmed in the appointment of Director of Industries, Mr. Lobban may be confirmed in this Presidency.

NOTES CONNECTED WITH G.O., No. 513, EDUCATIONAL,
DATED 9TH SEPTEMBER 1909.

[SUBJECT.—*Desirability of retaining permanently officers appointed by the Secretary of State to fill temporary vacancies in the Indian Educational Service.*]

From the Government of India, No. 735, dated 21st August 1909.

The draft placed below is for approval.

The letter was circulated to His Excellency and Honourable Members on 27th August 1909.

For perusal.

As Mr. Lobban is practically provided for at the end of his present appointment, I have cut out paragraph 2 of the draft, lest it might lead Director of Public Instruction (or Mr. Lobban) to suppose that there has been a change in the intentions of Government regarding him.

W. FRANCIS—4-9-09.

I think we had better mention Mr. Lobban's case as the Secretary of State quite likely may not confirm Mr. Chatterton as Director of Industries. In which case Mr. Lobban's case will have to be considered. He probably won't like to go on as temporary on his present pay. I have added to the paragraph 2. I think it should issue.
