Previous paper.

G.O., No. 439, Edl., dated 27th July 1909.

From the Director of Public Instruction, dated 18th August 1909, No. 534.

In G.O., No. 439, Educational, dated 27th July 1909, the Government decided to make an additional appointment in the Subordinate Educational Service to provide a lecturer on Experimental Physics to the students of the Medical College and requested the Director of Public Instruction to submit a proposition statement for sanction.

2. The Director of Public Instruction accordingly submits for sanction two proposition statements—one for adding an appointment on Rs. 100 *per mensem* to the Subordinate Educational Service and the other for embodying the same appointment in the establishment of the Medical College. The latter proposition statement is, as pointed out by the Accountant-General, superfluous. The former proposition statement may therefore be sanctioned.

3. The draft placed below is for approval. If approved, it may be sent to the Financial Department for acceptance.

T.K.—15-9-09.
