Sir,

With reference to the Home Department Resolution No. 556-569, dated the 1st July 1909, I am directed to say that a local committee for the purpose of assisting the Bureau established in London for the supply of information to Indian students in Great Britain has been constituted in these provinces, and a paid secretary has been appointed. The Secretary, though not a Government official, will perform work for the public benefit and will receive an allowance from provincial funds. The Committee have recommended that he should be permitted to use service postage stamps on business connected with the committee. The Lieutenant Governor wishes to do all that is possible to make the scheme a success and accordingly directs me to ask whether the Government of India will permit the Secretary to the committee to be treated as a Government official for the purposes of paragraph 338, section VIII of the Indian Postal Guide.

I have, etc.,
