From (Name) The Hon'ble Mr. A.G. Bourne, D.Sc., F.R.S., C.I.E.,

(Designation) Director of Public Instruction,

Madras.

To The Secretary to the Government of Madras,

Through Educational Department,  
the Accountant-General -

The Inspector of European and Training Schools reports that the staff of the Breeks' Memorial School, Ootacamund, as at present constituted, is not in accordance with the provisions of Article 17 (b) of the Code of Regulations for European Schools, and is unable to conduct the school in a manner befitting a Government institution, and he recommends the employment of an additional assistant on Rs. 200/- who is to be designated as First Assistant, the appointment being provisional for one year and the post being open only to graduates with English experience or training, or to experienced teachers possessing certificates from the Board of Education in England. If the appointment should result in an increased efficiency and popularity of the institution, he suggests that it may be made permanent and

included in the cadre of the Provincial Educational Service.

2 The school commenced its work on being provincialized in 1905 with a single teacher, viz., the Headmaster, and it was provided with an additional teacher, viz., a matron on Rs. 75/- per mensem in July 1906 when there were seven classes with a total strength of 16 pupils. Now there are eight classes with 36 pupils and the same number of teachers can hardly be considered adequate. A possible objection may be that the present grade and strength of the school do not justify such a large expenditure on the staff. But if the institution is to fulfil the object of its existence and is to be maintained efficiently it seems reasonable to give it such a staff as will attract the confidence of the best classes of the domiciled community.

3 In these circumstances, I beg to request that Government will be pleased to sanction the employment of an additional assistant on Rs. 200/- in the school provisionally for one year with effect from the 1st September next. The usual proposition statement and a re-appropriation statement to meet the extra charge during the current official year are herewith submitted.

4 I shall endeavour to secure a European for the post.

I have the honour to be,

# NOTES.

C.No.1686, from the D.P.I., No.5122, d/25-8-09. 8

Subject.

Proposal to employ an additional teacher on Rs.200 per mensem in the Breeks' Memorial School, Ootacamund, for one year.

The D.P.I. requests the sanction of Government to the employment of an additional Assistant on Rs.200 per mensem in the Breeks' Memorial School, Ootacamund, provisionally for one year.

2. The Breeks' school at present contains eight classes with 36 pupils, but its teaching staff, excluding the Gymnastic Instructor and the Drawing Master, consists of only two teachers - one headmaster, who is in the Provincial Educational Service, and one matron on Rs.75<sup>00</sup> per mensem. The Inspector of European Schools (Mr. Mayhew) considers that the staff is not in accordance with the provisions of Article 17(b) of the Code of Regulations for European Schools and "is unable to conduct the school in a manner befitting a Government institution." The D.P.I. also considers that the staff is inadequate.

3. According to Article 17(b) of the Code of Regulations for European Schools, the staff of a school will, as a general rule, be regarded as insufficient if any teacher is required to instruct more than 30 scholars or more than two classes at one and the same time. The D.P.I. anticipates that it might be objected that the

present grade and strength of the school do not justify a large expenditure on the staff, but urges that if the institution is to fulfil the object of its existence and is to be maintained efficiently, it seems reasonable to give it such a staff as will attract the confidence of the best classes of the domiciled European community.

4. The D.P.I. proposes to secure a European for the post, if it is sanctioned. <sup>with reference</sup> ~~to~~ ~~reference~~ ~~to~~ the statement of the Inspector of European schools, viz., that the post should be "open only to graduates with English experience or training or to experienced teachers possessing certificates from the Board of Education in England, <sup>alluded</sup> ~~which is referred~~ to in the D.P.I.'s letter, the Accountant-General states that "under "Article 75(1) of the Civil Service Regulations, "the previous sanction of the Secretary of State "will be necessary for the creation of the "appointment, as, though included in the Provincial Educational Service, it appears to be "an "appointment which would ordinarily be held by a "gazetted civil officer recruited in England" "within the meaning of that Article.

5. According to Article 75 of the Civil Service Regulations--

"The previous sanction of the Secretary of State is required  
" (1) to the creation of any new <sup>permanent</sup> appointment which would ordinarily be held by a Gazetted Civil Officer recruited in England,  
" (2) to the creation of a permanent appointment, not of the class specified in (1), of which the salary (as defined Article 70) exceeds Rs. 500 a month".

Vide top of p. 2 of cf.

Page 2 of C.F.

[The paper was received in the office on the 16.9.09]

7. The D.P.I. does not propose that the appointment in the Brecks' school should be a gazetted appointment or that it should be recruited for in England. He only proposes to secure a European for the post, which <sup>is now only temporary for one year, but which when made permanent, he proposes to include in the Provincial Educational Service.</sup> ~~to include in the Provincial Educational Service.~~ In these circumstances, the opinion of the Accountant-General that it requires the sanction of the Secretary of State does not seem to be correct. *It can be sanctioned by the Local Govt.*

7. The D.P.I. requests that the appointment may be sanctioned provisionally for one year with effect from 1st September 1909. As this date has elapsed, the appointment may now be sanctioned with effect from 1st October next.

8. A draft sanctioning the appointment is submitted for approval. If approved, it may be sent to the Financial Department for acceptance.

7.H.  
17.9.09

But will not the sanction of the Govt of India be required for the appointment of a European to a post on Rs 200? Please put up the G.O.

20  
20.9.09

M The sanction of the Govt of I. is required to the appointment of Europeans who are not statutory natives of India to offices carrying a salary of Rs 200 a month and upwards - vide G.O. no. 476 Edl dated 7<sup>th</sup> July 1893. But this question does not now arise; the present question is only the creation of an appointment on Rs 200, which this Govt. is competent to sanction.

7.H.  
20.9.09

The proposal of the D.P.I. to appoint

an additional teacher on Rs 200 per mensem provisionally for one year for the Bree's memorial School maybe sanctioned. The draft is for approval.

2. The Sanction of the Govt. of India will have to be obtained, under G.O. No. 476 G.I., dated 7<sup>th</sup> July 1893, to the appointment of a European who is not a statutory native of India, to this post.

DD  
20.9.09

See

The D.P.D. dates his letter 25.8.09 & requests sanction from 1.9.09. He might have given more time.

2. The sanction of the Govt. of India seems clearly unnecessary as the appointment is not to be gazetted but the sanction of India will be required depends on whom the D.P.D. wishes to appoint. If he is a statutory native of India no sanction will be required. Perhaps therefore, the D.P.D. might be asked to say whom he has in view.

Para: 3 of A.G.'s end. page 5 of C.F.

Submitted that the Acct<sup>y</sup> - General's remark that the sanction of the Secretary of State is necessary for the creation of a Temporary app<sup>y</sup> on Rs. 200 for 1 year, under art. 75(1) of the C.S.R., is not correct: —

- (a) Art. 75(1) of the C.S.R. relates to permanent app<sup>y</sup>s
- (b) Such perm. app<sup>y</sup>s should ordinarily be held by gazetted civil officers recruited in England.

Para: 3 of D.P.I.'s letter (page 2 CF)  
Para: 3 of A.G.'s end (page 5 CF)

2. It is ~~not clear whether~~ <sup>presumably the intention that</sup> the temporary app<sup>y</sup> (Rs. 200) is to be considered as being ~~included in~~ <sup>outside</sup> the cadre of the Provincial Educational Service. ~~or outside that cadre. It is~~ <sup>presumably the intention that the</sup> ~~post should be outside the cadre.~~

\* The prop. stat (page 3 CF) is prepared on the assumption that the post is outside the cadre of Prov<sup>l</sup> Educat<sup>n</sup> Service.

Otherwise the sanction of the Govt of India will be necessary.

3. The previous sanction of the Govt of India <sup>(Home Dept)</sup> should, it is subd, be obtained to the appointment of a European officer to the Temporary post on Ro. 200. — Art. 773 CA Code 1911
