THE SECRETARY TO THE GOVERNMENT OF MADRAS,

EDUCATIONAL DEPARTMENT.

SIR,

With reference to G.O. No:404, Educational, dated the 8th July 1909, requesting me to provide M.R.Ry. Kesava Menon, a Government scholar, with a 2nd Class passage to England, I have the honour to report that the scholar was provided ^{with} a 2nd Class passage, B. Accommodation per P. & O.S.N. Company's S.S. "Salsette" at a cost of Rs:528/- subject to the usual rebate of 5 %

The Scholar was required to arrive in England before the middle of September '09, and when the matter was taken up by my office it was found just too late to engage a passage by a

B.

B.I.S.N. Company's Steamer from Madras, so as to enable the scholar to reach England in time. I have the honour to request that Government will be pleased to ratify my action in engaging under the circumstances a passage by a P & O Steamer at an increased cost of about Rs:62-12-0.

A 2nd Class passage by P & O steamer was engaged last year under similar circumstances for M.R.Ry. V. Govindan Nair, who was granted a technical scholarship in G.O. No:426 Ed1:, dated 1st June 1908. I request that Government may also accord their confirmation to this.

I take this opportunity to observe that it will be convenient if in similar cases Government will in future kindly communicate direct to me the address of the selected candidate, so as to enable my office to correspond with him without delay and arrange for the cheapest passage that may be available.

I have the honour to be,

Sir,

Your most obedient servant,

H. K. K. K.

SUBJECT.

Provision of passage by P & O. steamers
to State Technical Scholarship holders.

The A.G. requests that Govt will be pleased to confirm his action in having provided the State Technical Scholarship holders, Kesava Menon and Govindan Nair, with passage to England by P & O steamers instead of by a cheaper line.

2. In G.O. no. 404 Bd D 8th July 1909, Kesava Menon was granted a State Technical Scholarship to England to enable him to study the Chemistry of soap-making & the use of native oils and the A.G. was requested to provide him with a second class passage to England. Kesava Menon was required to be in England not later than the middle of Sept. but ^{states that when his office} ~~but~~ ^{for him} ~~when~~ the A.G. took up the question of providing a passage, it was found just too late to engage a passage by a B. I. S. N. Company's steamer from Madras so as to enable the ~~scholar~~ scholar to reach England in time. The A.G. therefore engaged a passage for the scholar by a P & O steamer at an increased cost of about Rs 62-12-0.

3. The A.G. further states that under similar circumstances, he provided in 1908 a passage by a P & O. steamer to Govindan Nair who was granted a technical scholarship ^{that year by} in G.O. no 426 Bd D 1-6-08.

P

and he requests that Govt will be pleased to ratify his action in these two cases - He also requests that in future cases, the address of the selected candidate may be communicated to him direct, so as to enable his office to correspond with the candidate without delay.

3. Under para 6 of the Govt of D. letter printed with G.O. no-695 Bdl & 28th Nov-1901, a technical scholarship holder is to be provided with a second class passage. But the decision as to the lines by which the passage should be taken is left to the Local Govt; In making the selection, however, regard should be had to considerations of economy and the grant of passages by the P. & O. Company's line is not ~~entirely~~ prohibited. ^{Letter from the Dept of Commerce & Industry.} vide para 3 of the ~~Military Dept~~ letter no 6753.P.O. & 28th Nov. 1905 printed with G.O. no. 21 Finl & 2nd January 1906 & para 2 of the Military Dept letter no. 695-C- & 17-3-04 printed with G.O. no 404 Finl & 23-6-04. There is therefore no objection to confirming the action of the A.G. under reference.
