NOTES.

C. No. 1712 From the Director of Public Instruction No. 3500, dated 11-9-1909.

SUBJECT. applications for special grants on behalf of certain Colleges.

The D.P. 9 submits three applications for special grants under Art. 57 of the Grant-in-aid Code on behalf of the Madras Christian College, the Pachaiyappa's College, Madras, and the Findlay College, Mammagudi. The objects for which the grants are required, the total estimated cost of the articles proposed to be purchased and the amount of grants applied for are given below:—

Name of institution	Purpose for which the grant is applied for	Total estimated cost	Amount applied for
(1) The Madras Christian College	Purchase of Science apparatus & books	Rs. 6,112	Rs. 3,055
(2) " Pachaiyappa's College, Madras	Purchase of Science apparatus, books & furniture	3,150	1,576
(3) " Findlay College, Mammagudi	Purchase of furniture	1,737	868

2. The D.P. 9 recommends that the grants applied for may be sanctioned and states that "all the articles indicated for would appear to be suitable."

3. The Government have already sanctioned a grant of Rs. 50,000 to the Madras Christian College, Rs. 6,000 to the Findlay College and Rs. 27,000 to the Pachaiyappa's College out of the special grant placed at the disposal of this Government by the Govt. of India in aid of University education. The objects for which those grants were given will be found in Columns 3 to 6 of the annexure to G.O. 810 Ed. 3rd December 1907.

In the case of the Christian College, the grant was for general purposes. In the case of the Mammagudi College, Rs. 1000 was for apparatus & Rs. 500 for physical & chemical apparatus. See Statute on notes to G.O. 810 Ed. 3. 12. 07. H.

4. A draft order accepting the Director's recommendation is submitted for approval.

PP
28.9.09

Under Art. 57 of the Grant-in-aid Code, the maximum grant which may be sanctioned towards the cost of furniture, apparatus, chemicals & books, is one-half of the total cost. The D.P.I. recommends a half grant to each of the three institutions whose applications have now been submitted for orders, altho' the result, as regards the amount of grant, will be that the Christian College would get nearly double that of the Pachayappa's College and nearly four times that of the Funday College, Mannargudi, which, however, is only a Second grade College.

2. It is presumed that the D.P.I. has scrutinized the ^{list of} books and apparatus indented for and has satisfied himself that all of them are necessary. In para. 2 of his letter he simply states that "all the articles indented for would appear to be suitable."

Lee.

Please see the lists of books at pp 14 & 24, 31 & 32 & 39 & 40 of. There are dozens of useless books which it is proposed to buy & they

hardly seem suitable for aid from
foot. Should not the D.P.I. be
asked to scrutinize these lists again?
The scientific apparatus I am
unable to check.

Chd

I don't know what the books are all
useless. The Wren boy has no books
in his own home as the Field boy has,
his college library has to include boys'
bookish fiction if he is ever to read better.
Moreover D.P.I. has a fixed ~~fixed~~ allotment
to his budget for these parts, & if he
gives too much to one college he has to
give less to others. Similarly if the
colleges offer for subscription when they might
get classics, that's their affair. I don't
think we need guide their taste or fetter
D.P.I.'s discretion & have passed the
draft. NF 2/10
