Letter from E.B.Elwin, Esquire, I.C.S., Collector of
Godavari.

Dated.--3rd September 1909

No.--Ref. pet.1366/Rev.of 1909.

I have the honour to state that owing to the
malarial nature of the locality, much difficulty is felt in
securing the services of a passed candidate for the Minor
Irrigation Sub-Overseer's post in Polavaram Division
(Agency). The last permanent incumbent I.V.Ramanadha Iyer,
who is a passed candidate from the College of Engineering,
Madras, after working for about 1½ years fell ill and took
leave. During his absence one Ch.Gangadhara Sastry, who

has undergone training in the recognised Technical institution of Vizagapatam for 2 years and passed the following Government Technical examinations, has been acting for about a year.

- | | |
|-------------------------------------|---------------------|
| (i) Building drawing and estimating | Intermediate Grade. |
| (ii) Surveying and levelling | |
| (iii) Mensuration | Elementary Grade |
| (iv) Earth work and Road making | Do. |

2. Ramanadha Iyer being afraid to return to the Agency has since got an appointment in the North Arcot District with permission. No one is willing to remain in appointment for even a year owing to the unhealthiness of the Agency tracts.

3. The place has to be filled up now permanently. The Divisional Officer recommends that Gangadhara Sastry may be confirmed as he knows the Division, has been doing his work properly, and is standing the climate well, having already served in the Agency for several years as Local Fund Inspector, and as any passed candidates coming from outside will be trying to get out as soon as he can. I quite agree with him and request that the Board may be pleased to exempt Gangadhara Sastry from the Sub-Overseer and Surveyor's test in order that he may be confirmed as a Minor Irrigation Sub-Overseer in the Agency tracts.

Submitted for the orders of Government.

2. In the circumstances reported by the Collector, the Board recommends that Ch.Gangadhara Sastri may be permanently - exempted from passing the examinations prescribed for the post of Minor Irrigation Sub-Overseer.

The Collector of Godavari (Mr.E.B. Elwin) requests that C. Gangadhara Sastri, acting Minor Irrigation Sub-Overseer*, Polavaram Division, (Agency), may be permanently exempted from the examination prescribed for the Sub-Overseer and Surveyor class of the College of Engineering for his confirmation in that post.

2. It is urged that owing to the malarial nature of the locality, much difficulty is felt in securing the services of a passed candidate for this post. The Collector reports that Gangadhara Sastri has undergone training in the recognized technical institution of Vizagapatam for two years and has passed the Government Technical Examinations in the following subjects and in the following grades:--

- | | |
|--|----------------------|
| (1) Building drawing and estimating | } Intermediate grade |
| (2) Surveying and levelling | |
| (3) Mensuration (not among the subjects prescribed) | } Elementary grade |
| (4) Earthwork and roadmaking | |

Further, Gangadhara Sastri is reported to have been acting in the post of Minor Irrigation Sub-overseer for a year, during which period he was doing his work properly and is

Para. 2 of the Ref. on page 2 of C.F.

4. also said to be standing the climate well. In these circumstances the Board of Revenue supports the Collector's recommendation.

3. According to item (19) under "C. Revenue Department" of the table appended to Article 3 of the Public Service Notification, Minor Irrigation Sub-Overseers are required to pass the following examinations: ~~the examinations prescribed for the Sub-Overseer and Surveyor class, College of Engineering; or~~

- (i) Examinations prescribed for the Sub-Overseer and Surveyor class, College of Engineering; or
- (ii) Examinations in Agricultural Engineering and Surveying and Levelling prescribed for the diploma in Agriculture under the notification regulating the Government Technical Examinations; or
- (iii) Examinations in the Intermediate grade in--
 - ✓ (a) Building-Drawing and Estimating,
 - ✓ (b) Surveying and Levelling,
 - (c) Building Materials and Construction,
 - (d) Hydraulics and Irrigation works, and
 - ✓ (e) Earthwork and Road-making, under the notification regulating the Government Technical Examinations.

Gangadhara Sastri has passed (a) and (b) in the Intermediate grade, and (e) in the Elementary grade, of the subjects under (iii).

4. In view of this fact, of the difficulty of obtaining passed candidates owing to the unhealthiness of the locality and also of the fact that Gangadhara Sastri is standing the climate ^{well} ~~of the locality~~, the exemption applied for may, perhaps, be sanctioned. Similar concessions were shown to persons employed in the Agency tracts - c.f. G.Os. Nos. 2463 dated 26th
