First application.	Applications were received from several qualified candidates. Some of them whom the Conservator considered fit were appointed and posted to certain districts. There are some more applications but the Conservator considers it advisable to confer the post on the Clerk who is acquainted with Timber accounts as the work will be done quickly and correctly rather than conferring it on a raw hand useless for some months. The District Forest Officer recommends the clerk. I therefore recommend that the clerk may be temporarily exempted. The District Forest Officer has been requested to state the age of the candidate which will be communicated on receipt.

Please see the remarks on the application form at p. 4 of. There are qualified candidates & the reasons for putting this man in the post are not strong. After a few months the qualified man ought to be better than this man. The Conservator originally (cf. p. 4) applied for the man's exemption from the

Accountant Ted Hicher in order to appoint him as an Accountant, the exemption to last notice the publication of the next Accountant Ted Hicher results.

The Board & Rev. Men pointed out that the man wasn't entitled to appear for the Test, as his only Middle School.

The Council. Men changed his application into one for permission to appear for the Test, & it is this which is now for order — not an exemption for purposes of appointment.

This Accountant Ted Hicher has been newly prescribed for certain posts in the Forest Branches, & it is submitted that it is hard on old Forest Branch hands not to permit him even to appear for it.

I think the permission sought for should be granted

I cannot see how old the man is & what age he holds now, & what is the length of his service — we can have these particulars.

The particulars asked for in this note are not available in this office. From Column 10 of the application on page 4 of C.P. it is obvious that the Conservator has called for a report from the D.F.O. as to the age of the applicants but the information, even if it has reached the Conservator, is not likely to be submitted to Govt unless specially asked for.

perhaps the temporary exemption has also
been advisedly granted by the H.M. and
