G.O., No. 197, Educational, dated 29th March 1909.

ABSTRACT.—Sanctioning, as a special case and subject to certain conditions, a grant of Rs. 2,600 towards the cost of constructing a building for the Hindu Incomplete Secondary School, Palacole.

II

Letter—from the Manager, Hindu Incomplete Secondary School, Palacole, Kistna district.

To—the Director of Public Instruction (through the Inspector of Schools, II Circle).

Dated—the 26th August 1909.

With reference to your honour's proceedings, Dis. No. 2388 of 1909, dated 19th April 1909, I have the honour to state that I fear a complete secondary school is not likely to succeed eventually at Palacole on account of its close vicinity to Narasapur where there has been a long standing High school with about 400 children. The cost of a complete secondary school is also prohibitive and I think that it would be difficult to satisfy all the requirements of the Educational rules. So I request your permission to raise a building for an incomplete secondary school, which I am prepared to place on a firm basis by endowing it with a sum of at least Rs. 4,000 besides bearing the cost of the building, which will come to nearly Rs. 10,000. If under this condition the grant of Rs. 2,600 sanctioned for the building cannot be granted to me I shall forego it on condition of your allowing me to continue the school as an incomplete secondary school and working it up in accordance with the rules.

Encl. R.C. No. 6360, dated 4th October 1909.

Submitted to Government, Educational, and recommended that in the circumstances stated the management be allowed to work the school as an incomplete secondary institution without prejudice to the building grant sanctioned in G.O., No. 197, Educational, dated 29th March 1909.

A. G. BOURNE,
Director of Public Instruction.

Order—No. 587, Educational, dated 28th October 1909.

As the manager of the Hindu incomplete secondary school, Palacole, does not appear to be prepared to comply with the condition prescribed in paragraph 1 of G.O., No. 197, Educational, dated 29th March 1909, namely, that the school should be transferred to the elementary grade if it is not possible to make it a complete secondary school, the Government regret that the grant of Rs. 2,600 sanctioned in that order towards the cost of constructing a building for the school must be cancelled.

[SUBJECT.—Permission to continue the Hindu Secondary School at Palacole as an incomplete Secondary School.]

G.O., No. 197, Edl., dated 29th March 1909.
" " 1254 L. " 6th October "

From the Director of Public Instruction, dated 4th October 1909, No. 6360.

In G.O., No. 197, Educational, dated 29th March 1909, the Government sanctioned a grant of Rs. 2,600 towards the cost of constructing a building for the Hindu Incomplete Secondary school, Palacole, and stated that it was sanctioned on the understanding that every endeavour should be made to convert the school at an early date into a complete elementary school, if it was found impracticable to convert it into a complete secondary school.

2. The manager of the school now states that a complete secondary school is not likely to succeed eventually at Palacole on account of its close vicinity to Narasapur where there is a long standing High School with 400 pupils. The manager further states that the cost of a complete secondary school at Palacole would be prohibitive and that it would be difficult to satisfy all the requirements of the Educational Rules. He therefore requests permission to continue the school as an incomplete Secondary school.

3. The Director of Public Instruction recommends that in the circumstances stated, the manager may be allowed to work the school as an incomplete Secondary school without prejudice to the building grant sanctioned in G.O., No. 197, Educational, dated 29th March 1909.

4. It is for consideration whether the recommendation of the Director of Public Instruction may be accepted.

T.K.—13-10-09.

Please put up the Local and Municipal Order in which the Government declared itself against countenancing incomplete Secondary schools.

K. RANGASWAMI AIYANGAR—13-10-09.

Please see G.O., No. 1254 L., dated 6th October 1909, which has been obtained from Madras and is submitted.

T.K.—18-10-09.

Please see the notes on pages 14 to 19 of G.O., No. 1254 L., dated 6th October 1909, which set out the policy of Government in regard to incomplete Secondary schools. It is for consideration whether in view of the special circumstances of Palacole explained in the manager's letter, and of the manager's undertaking to provide a building for the school and to endow it with a sum of Rs. 4,000, the Director of Public Instruction's recommendation that the management may be allowed to maintain the school as a Secondary school (incomplete) may be accepted.

K. RANGASWAMI AIYANGAR—18-10-09.

The fact that at Narasapur there is a complete High School with 400 pupils would seem to show that a Secondary (incomplete) school at Palacole is unnecessary. To be consistent with their policy the Government ought to refuse the Director of Public Instruction's recommendation. The case disposed of in G.O., No. 1254 L., dated 6th October 1909, is different, however, from this case, as there a Local Fund School was concerned. This is entirely a private concern. But even so, it would seem against policy to allow an incomplete Secondary school.

C. A. SOUTER—18-10-09.

The Director of Public Instruction has already been asked u.o. whether there are any special circumstances in this case (page 2 of notes with G.O., No. 197, Educational, dated 29th March 1909) and has said that it is not possible to avoid having incomplete Secondary schools and that he therefore tries to make them as good as may be. That is, there are no special circumstances in this case except that the manager is prepared to spend a good deal of money. He will apparently do this even if the grant of Rs. 2,600 is withdrawn. It was given on the clear understanding "that every endeavour will be made to convert the school at an early date into a complete Elementary school, if it is found impracticable to convert it into a complete Secondary school." The Paragraph 1 of G.O., No. 197, Educational, dated 29th March 1909.

manager now ceases all pretence at attempting to convert it into either the one or the other.

Submitted that to allow the grant to be made none the less will be contrary, not only to the conditions on which it was made, but to declared policy, and be an awkward precedent.

W. FRANCIS—19-10-09.

Yes, I agree. We may express regret that the grant under the circumstances must be cancelled.
