Guntur District Collector's Office,
15.9.1909.

The post was twice conferred upon passed candidates, failed to join. The pay being only Rs.30 is not at-qualified candidates for the Minor Irrigation Sub-Over-ers, who have prospects of rising to Rs.70 in the D.P.W here. Nor is it advisable to entertain fully qualified as past experience has shown that they will not hold this post any length of time. I have therefore appointed my present nominee, who knows the work, though he is not qualified by the exami-nation. Accordingly, I request that the sanction of the Government may be obtained for his permanent exemption.

Reference thereon No. 2126, dated 14th September 1909.

Submitted to Government.

2. The Board recommends that M.Narasimhamurti may be exempted permanently from the examinations prescribed for the post of Minor Irrigation Sub-Overseer.

C. No. 1737 From the Board of Revenue No. 2126, dated 14-7-1909.

SUBJECT: Permanent exemption of M. Narasimhamurti from the examination rules.

REVENUE DEPARTMENT
1 OCT. 1909

File item (19) (1) on page 6 of Pub. Ser. Notifs. R.

Page 2 of C.F.

The ag. Collector of Guntur (Mr. Mac Ever) recommends, and the Board supports his recommendation, that M. Narasimhamurti may be permanently exempted from the examination prescribed for the Sub-overseer and Surveyor class, College of Engineering, for employment as a Minor Irrigation Sub-overseer at Narasaraopet.

2. From para. 2 of the Collector's letter it is observed that the post was twice conferred upon passed candidates who they failed to join and that the pay being is not attractive to qualified candidates who, appointed, do not therefore remain in the post of any length of time.

3. It is for consideration whether, in view of the difficulty of securing the services of qualified candidates pointed out by the Collector, the recommendation of the Board of Revenue may be accepted. The Collector states that his nominee knows the work, though he is not qualified by the examination.

The remarks of the Revenue Department are picked up.

The pay offered is less in comparison with that obtainable under a local board, but is there a fixed scale of pay for M. I. Sub-overseers? If not, it is seen better to offer rather more pay to a passed man.

1/15/10

It is submitted that there does not appear to be any fixed scale of pay for minor Irrigation Sub-overseers. The number and pay of the minor Irrigation Sub-overseers were first approved by

I. Govt in their order no 696 Revd 7th December 1896

— Vide para 5 of the G.O. and the Statement on page 10^{of the G.O.} Their number and pay then stood as follows:—

18 on Rs 50. ✓

24 on Rs 40. ✓

24 on Rs 30. ✓

2. The Government appear to have subsequently sanctioned a few alterations both in the sanctioned number of the Sub-overseers and in their pay; and in September 1907 the scale was as follows:—

19 on Rs 50. ✓

25 on Rs 40. ✓

1 on Rs 35. ✓

33 on Rs 30. ✓

3. The application for exemption in this case is from ^{the} Guntur Dt. in which there are three minor Irrigation Sub-overseers (1 on Rs 50 and 2 on Rs 30). If there is any real difficulty in obtaining passed Candidates

Candidates for the sanctioned salary of Rs 30, there seems to be no objection to increasing the pay so as to attract passed men. This is, however, a point for consideration in the Revenue Dept. to which the file may be forwarded u.o.

The question of the pay of M.O. overseers to for Rev. who may consider the question of raising it.

Oct 1909

Am.

The applicatⁿ. is for permanent exemption from the sub-overseer's test for employment as a minor irrigation overseer on Rs. 50, & the reasons advanced by the Collector are (cf. p. 2) that the pay of Rs. 50 is insufficient to attract passed men or retain them if attracted, as they have better prospects in other departments. The pay of the post is fixed, apparently, & cannot be raised. It is true that prospects for suboverseers are better in Lit. Service, where the lowest grade is Rs. 50 - 2 - 40 against Rs. 50 as M.O. overseers & the highest

per is Rs. 70 as against Rs. 50 as
M. I. overseers. So the Collector's
reasons are apparently true, the
exemption, it is submitted, may be
sanctioned.

There does not seem sufficient reason,
in this one case, to start and have
about raising Rs. per of all M. I.
overseers. The Rev. Dept. will find
out soon enough if real difficulty in
getting men for the present sales becomes
wide-spread
