To The Secretary to the Government of Madras,

Educational Department.

Sir,

1 have the honour to submit an application for
grant, in aid of the purchase of Scientific appliances
etc., required for the St. Joseph's College, Trichino-
poly and to recommend that an amount not exceeding --
Rs 3,621/- or one half of the entire cost of the arti-
cles, whichever may be less, be sanctioned under rules
57 and 60 of the Grant-in-Aid Code.

2. The correspondent states that the appliances
are needed to meet the requirements of the new courses
of study for the college classes prescribed by the --
University.

3. Should Government be pleased to sanction the
grant, I shall inform the management that funds may not
be available to authorize payment of the grant until

next

until next year in view of the fact that proposals- *for*
~~are~~ utilizing the current year's allotment for fur-
niture, apparatus, appliances and other special --
objects have already been entertained.

4. It is requested that the enclosures be
returned when no longer required.

I have the honour to be,

PROSPECTIVE

NOTES.

C. No. 2049, From the D. P. I., No. 6841, dated 4th November 1909.

S u b j e c t.

Furniture grant not exceeding Rs3,621
for the St. Joseph's College,
Trichinopoly.

The Director of Public Instruction submits an application, with estimate amounting to Rs7,242-1-0, for a special grant of Rs3,621 from the Correspondent of the St. Joseph's College, Trichinopoly, and recommends that the amount applied for may be sanctioned under Article 57 of the Grant-in-Aid Code.

2. The Articles proposed to be purchased are the Physical and Chemical apparatus required for the new courses of study for the College classes (Intermediate and B.A. courses) prescribed by the new University Regulations. The amount of the estimate is, as noted above, Rs7,242-1-0; and under Article 57 of the Grant-in-Aid Code, a grant not exceeding one-half of the total cost, namely, Rs3,621 is admissible.

A. 3. It is however, observed that in G.O. No. 78 Edl., dated 8th February 1909, the Government sanctioned a grant not exceeding Rs3,760 or one-half of the actual cost of the articles, whichever was less, towards the cost of purchasing 'Physical and Chemical appliances' required for the same college,

colleges. The grant now applied for is in addition to the grant already sanctioned. Perhaps the Director of Public Instruction has satisfied himself that the apparatus towards the cost of which a grant is now applied for, is really necessary. The Director of Public Instruction says that the ^{whole of the} current year's allotment ^{has} ~~is~~ already been ^{assigned} ~~disposed~~ and that if the Government should sanction the grant now recommended, he will inform the management that the grant will not be paid until next year. It is for consideration whether, in these circumstances, the grant may be sanctioned at once for payment next year, or whether the Director of Public Instruction may be asked to renew the application next year, when funds will become ~~be~~ available, and when the application from this institution may be considered with other ^{if any} applications for similar grants from other institutions.

Sec.

St. Joseph's College has been given a grant of Rs 3,760 already for similar apparatus but I submit that the D. P. I. would not have sent in this application unless he was satisfied that the College really needs the articles mentioned in the list in the Cf. Subd that the grant may be sanctioned on the understanding that it will be paid only when funds are available.
