Letter—from F. DEWSBURY, Esq., B.A., LL.B., Registrar, University of Madras.
To—the Secretary to Government, Educational Department.
Dated—Senate House, the 6th November 1909.
No.—3162.

I have the honour, by direction of the Syndicate, to submit for the sanction of Government under section 25 (1) of the Indian Universities Act, 1904, the accompanying regulations relating to the examination for the degree of licentiate in teaching passed by the Senate at its meeting held on the 15th October last.

2. When the regulations relating to the other examinations were revised by the Senate and submitted to Government in 1906, no new regulations for the L.T. Degree were framed, but the old by-laws which then existed were incorporated *en bloc* in the new body of regulations sent up to the Government. It was only in September 1908, that the Board of Studies in teaching drafted a set of revised regulations for the L.T. Degree examination and submitted them to the Syndicate. The Syndicate recommended them, with certain amendments, to the Senate for adoption in place of the present regulations 212 to 221. The Senate considered these regulations at its meetings held in October 1908, and finally referred them to a Committee. This Committee submitted its report in November 1908, which was placed before the Senate at its meeting held on the 5th March last. The Senate went into Committee and framed the regulations now submitted to the Government for sanction. They were duly adopted by the Senate on the 15th October last.

3. In connection with these new L.T. regulations the Senate adopted the following additions to Transitory Regulation 370 as to the date on which the new L.T. regulations should come into force and also to meet the cases of those candidates who shall have passed the theoretical part of the L.T. Degree examination under the existing regulations but not the practical part:—

Add in Transitory Regulation 370 in its appropriate places:—

	Under the new regulations.	Under the existing regulations.
January and February 1910	L.T.	
February 1911	L.T. Practical Test only.	
April 1911	L.T.	
February 1912	L.T. Practical Test only.	
April 1912	L.T.	
February 1913	L.T. Practical Test only.	
April 1913	L.T.	
February 1914	No examination.	
April 1914	L.T.	

I am directed to request the sanction of Government also for the above additions to Regulation 370.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., No. 624, EDUCATIONAL,
DATED 25TH NOVEMBER 1909.

[SUBJECT.—Regulations relating to the L.T. degree examination.]

From the University of Madras, dated 6th November 1909, No. 3162.

Under section 25 (1) of the Indian Universities Act, 1904, the University of Madras requests the sanction of Government to the revised Regulations relating to the examination for the degree of Licentiate in Teaching which were passed at the meeting of the Senate held on the 15th October 1909. The existing Regulations on the subject are Regulations 212 to 221 on pages 46 to 48 of G.O., No. 841, Educational, dated 27th December 1906.

2. When the Senate revised the whole body of the University Regulations in 1906, no new Regulations for the L.T. degree were framed, but the old by-laws which then existed were incorporated *en bloc* in the new body of Regulations submitted to Government. In his letter No. 3215, dated 5th December 1906, the Registrar stated that the Senate proposed to revise the Regulations for the L.T. degree before April 1911, the date when the other degree examinations would be held for the first time and that, when revised, the Regulations would provide for the date of the examinations thereafter to be held.

3. The Registrar of the University now states that in September 1908 the Board of Studies in Teaching drafted a set of revised Regulations for the L.T. degree examination and submitted them to the Syndicate. The Syndicate recommended them, with certain amendments, to the Senate for adoption in place of the present Regulations 212 to 221. The draft Regulations came up for consideration at the meeting of the Senate held in October 1908. The Senate then referred them to a Committee. This Committee submitted its report in November 1908 and it was placed before the Senate at its meeting held on the 5th March 1909. The Senate then went into Committee and framed the Regulations now submitted to Government for sanction. These Regulations were adopted by the Senate at its meeting held on the 15th October last, on the motion of Mr. Stone.

4. Under the existing Regulations, the examinations for the L.T. degree are both theoretical and practical—*vide* Regulation 215. Under the proposed Regulation, the examination is to be only a written examination—*vide* Regulation 215. The practical portion of the examination is thus to be abolished. The other alterations in the Regulations are in consequence of the abolition of the practical portion. The course of study prescribed for the examination has also been considerably modified, and the course laid down in the revised Regulations appears to be a great improvement on the existing one.

Page 47 of G.O., No. 841, dated 27th December 1906.

Page 92 of G.O., No. 841, dated 27th December 1906.

5. The University also requests sanction to the following additions to be made to Transitory Regulation 370 in their appropriate places :—

	Under the new Regulations.	Under the existing Regulations.
January and February 1910..	..	L.T.
February 1911	..	L.T. Practical test only.
April 1911	L.T.	..
February 1912	..	L.T. Practical test only.
April 1912	L.T.	..
February 1913	..	L.T. Practical test only.
April 1913	L.T.	..
February 1914	..	No examination.
April 1914	L.T.	..

According to these additions, the L.T. degree examinations under the existing Regulations will be held for the last time in 1910; from 1911 onwards the examination will be held under the revised Regulations. To meet the cases of those candidates who would have passed the theoretical part of the L.T. degree examination under the existing Regulations, but not the practical part of it, and who would consequently be affected by the revised Regulations, it is proposed to hold only the practical test under the existing Regulations in 1911, 1912 and 1913.

6. The revised Regulations and the additions proposed in Regulation 370 may, it is submitted, be approved. The draft below is for approval.
