R.C. No. 7739 of 1909,

Station M A D R A S, Dated the 13 December 1909.

From (Name) A. G. Bourne Esquire, D.Sc., F.R.S., C.I.E.,
(Designation) Director of Public Instruction,

M A D R A S.

To The Secretary to the Government of Madras,

Educational Department.

Sir,

PD
15/12

Wardlaw College,

No. 226.

Bellary, 12th November 1909.

From

The Principal,

To

The Director of Public Instruction,

M a d r a s.

Through

The Inspector of Schools,

Third Circle, Bellary.

Sir,

With reference to your Proceedings dated 14th July 1909 No. 4355 of 1909 communicating sanction of a building grant not exceeding Rs 10,000/- I have the honour to state that the original estimate amounting to Rs 36,661/-

was increased to Rs 38,100/- by the Chief Engineer on account of certain necessary structural alterations.

The Superintending Engineer of the Circle, as per letter enclosed, has increased the estimate by Rs 2,050/- as the foundation of the building will require some slight alterations. The members of the Bellary Mission feel that without an increased grant from Government the work cannot be taken up.

When the estimate stood at Rs 36,000/- a grant from Government of not less than Rs 12,000/- was reckoned upon.

In the present state of the finances of the Mission it will be very hard to find the extra money required. In

the circumstances I request that you will be so good as to recommend to Government that at least a full third grant on the present estimated cost of the building be sanctioned. At the Annual Meeting of the London Missionary

Society

PUBLIC WORKS DEPARTMENT.

Office of the Superintending Engineer

Third Circle,

Camp Ithodu, dated 25th September 09.

From

P. Roscoe Allen Esq., M. I. C. E.,

Superintending Engineer,

Third Circle, Bellary.

To

The Principal and Manager,

The Wardlaw College,

Bellary.

Ref.- G.O.No. 378, Educational, dated 29th June 09.

Sir,

Relative to the Chief Engineer's note on the above para 3, I have the honour to inform you that investigations made on the proposed site of the College show that the foundations of the building as designed will require some slight alteration, as shewn in the accompanying plans, which will increase the estimates, vide comparative statement enclosed, by Rs 2050/-. The foundations of concrete in surki mortar should, I think, ^{be} made of the ingredients usually made use of in our buildings at Bellary mixed in similar proportions.

I have the honour to be,

Sir,

Your most obedient servant,

True Copy
Ananthaiah

Director of Public Works. Sd.- P. Roscoe Allen,
Superintending Engineer, 3rd Circle.

NOTES.

C. No. 2280 From the Director of Public Instruction No. 7739, dated 13-12-1909.

SUBJECT. Submitting an application from the authorities of the Wardlaw College, Bellary, for an enhanced grant towards the cost of the College buildings.

C. E's note on page 3 of G.O. 3788 29.6.09.

Copy of S.E.'s letter on page 4 of C.F.

Page 2 of C.F.

38,100
2050
40,150
3 13,383 $\frac{1}{3}$

C. In G.O. 378 Redd, 29th June 1909, the Government sanctioned a grant not exceeding one-third of the actual expenditure of Rs 10,000 whichever ~~may~~^{might} be less, towards the cost of constructing a building for the Wardlaw College, Bellary. The estimate submitted by the College authorities amounted to Rs 36,664 which when scrutinized by the Chief Engineer was increased to Rs 38,100.

2. The Superintending Engineer reports that the foundations of the building as designed require some slight alterations which will increase the estimate by Rs 2,050. The Principal of the College now represents that "the members of the Bellary mission feel that without an increased grant from Government the work cannot be undertaken" and requests that "at least a full third grant on the present estimated cost of the building may be sanctioned."

3. The present estimated cost of the building is Rs 40,150. One-third of it is Rs 13,383. Under article 51 of the Grant-in-aid Code grants not exceeding one-third of the total cost are admissible. The Principal's request therefore is that the grant of Rs 10,000 sanctioned

C. in G.O. 378 Redd, 29th June 1909 may be increased by Rs 3,383. Attention is solicited to the Secretary's (Mr. Taylor's) note of 21-11-07 on page 2 of the notes with G.O. 291 Redd, 21-4-08 in which he observed that "in no case should the contribution made exceed Rs 10,000 which is ordinarily regarded as a maximum."

The Hon'ble Sir George Forbes agreed that the grant should not exceed the maximum of Rs 10,000 - vide page 3 ibid.

Cf. Sir James Thomson's note on page 3 of K.S. 853 15.2.05 E.
+ Mr. Taylor's marginal note on page 19 of K.S. 5438 16.7.08. A.

Page 5 of C.F.

4. The ordinary rule is to restrict grants to Rs 10,000 to individual institutions and the amount that may be sanctioned in any case is entirely in the discretion of Government. Dr. Bourne in forwarding the Principal's application states that he sees no objection to an enhancement of the grant. It is for consideration whether an additional grant of Rs 3,383 may be sanctioned.

PP
17.12.09

In G.O. No. 378 Ed., dated 29th June 1909, the Govt. sanctioned a grant not exceeding one-third of the actual expenditure or Rs 10,000 whichever may be less towards the cost of this building. It is for consideration whether an ^{enhancement} increase of the grant may be sanctioned as recommended by the D.P.I. The Principal's letter to the Inspector of Schools puts the case rather strongly. It is said that "in the present state of the finances of the mission it will be very hard to get the extra money required".

AD
21.12.09

See.

It is very unusual to find more than Rs 10,000 & there hardly appears to be any reason to find more in this case. It will be noted that the Principal "reckoned upon" Rs 12,000

p. 2 of C.F.

p. 2 of C.F.

Whereas any grant at all is a matter
solely for Govt's discretion. If the
Mission haven't enough money at
present they should wait till they get it.
After all £2,000 is not a huge sum
to find.

Chas
Weller

Wm

Announces the original estimate for new buildings
for Woodrow College Bellary, of Rs 36,660/-
C for in No. 378 of 4.24.0.19 sanctioned
1/3 cost of Rs 10,000/- which was less. The
estimate is now increased by Rs 3490/-
by the Chief & Superintending Engineer
& the College now wants the Rs 10,000/-
grant increased to 1/3 cost i.e. by Rs 3383/-
Equivalent practically to the increase in
the estimate

There may be savings in the estimate,
the increase of contribⁿ above Rs 10,000/-
is opposed to precedent & the only point
put forward in this case is that the
Mission is badly off. Submitted there are
not sufficient grounds for the increased
grant applied for
