The Education
Department

The humble memorial of Mr
Ghouse Badsha clerk of Ranipet Taluk
Board's Office.

I am a member of a very
respectable family being the direct 4th
in descent from Nawab Saifuddin Sahib,
Jasbir Das of Gurrumkhonda and
cousin and father-in-law of Tipu Sultan
of Mysore in my father's line, and also the
4th descendant on the mother's side from
Miri Sadoor Shulam Ali Bukshi, the
principle frauder of the court of
Tipu Sultan of Mysore who was the
first of the first class of Tipu Sultan's
Officials whom the Duke of Wellington
and his colleagues recommended.

His Excellency, the Governor General for a
pension of 3000 pagodas per annum. The
geneological table herewith enclosed mark
A. will show my descent from both the noble
families and an extract from the Asiatic
Register herewith submitted marked B will
show the rank of Mier Sudoor Shaleem Ali
Bakshi my great grand father. The Mysore
pension from my mother's side of Rs 29/2 munda
is due to me and the matter is under correspondence
with the Mysore Government, the last holder
having died recently and that Government
having for the first time said that the
Continual pension is for life only of the last
holder.

2. I have studied in the Matriculation
class and appeared for the
Examination but unfortunately for me
I failed, and I am now a clerk in the
Rampet District Board Office on Rs 20/.
My father and uncle have been Police
Inspectors now retired and two of the
latter's sons are now in similar appoint-
ments. My father now gets an invalid
pension of Rs 25/ per mensem and this
with what I get is hardly enough for
a big family like ours to make both

both ends meet. The difficulties of
a ruined noble family with no sufficient
means to maintain its prestige hardly
needs mention, and unless I am able
secure a better appointment I will not
be able to protect my family.

These difficulties compel me
to approach your honor with a prayer for
special treatment in the confidence that
nobility of birth combined with fair
education will enlist the sympathy of
the officers of Government. The fact that
my father, uncle and other relatives of
mine had or have been serving the Govern-
ment faithfully is also another reason
why I beg for the sympathy of Government
in my behalf.

In these circumstances I
beg your honor to consider my hard
lot favorably and exempt from the
Examination rules for service under the
Government.

I beg to remain
Most respected Sir
Your honour's Most Obedient
Servant
Mir Ghous Bado.

Asiatic Annual Register for the year 1797
Supplement to the State papers page 288

From the Mysore Commissioners
to the Governor General 12th June 1797

My Lord

We have the honour to inform
your Lordship that having yesterday taken
into Consideration the most eligible means
of carrying into effect the Conciliation
towards the principle Sirdars of the late
Tippu Sultan residing at present in the city

Suggested by the directions contained in
your Lordship's letter of the 6th inst. we
came to the following resolution.

First to promise in the name of the
pension for life to the following persons to
the amount specified after the name of each

Mir Ghoolam Ali Meer Sadoor	Pagoras
	3000 per annum

Ghoolam Ali Khan Vakeel	3000	— do —
-------------------------	------	--------

Ali Raza Khan	3000	— do —
---------------	------	--------

In our Selection of the 3 first of the
Sirdars named under the 1st head we
were guided by Consideration referring partly
to the Services which they had manifested
towards the British Government and partly
to the High respect entertained for their Character
and to the weight and authority which they
are universally acknowledged to possess
amongst the Mohamadans of this City.

We shall no doubt find it necessary to augment
the present list of pensioners and make provision
for the families of certain Sirdars deceased,
whose pretensions we have not yet taken into
our Consideration excepting in the instance of
Syed Sahib's family consisting 18 persons —
male and female for the maintainance of which
we have assigned a monthly pension of
200 Star pagodas.

Mir Ghouse Badsha Sahib has been
known to me for several years past.

He comes of a very respectable family,
being very closely connected both on his
grand father's & grand mother's side with the
illustrious family of Tippu. He is a young man of
good education, though he has not succeeded
in passing any public examination and
is in all respects a worthy descendant of
his illustrious ancestors. He is at present
holding an humble position in the Ranipet
Tahsil Board's office & I shall be glad if the
benign Government will do something to
improve his prospects and I have no doubt
he will fully justify any concession which
may be shown to him.

I have known Meer Ghouse Basha -
Sahab for the last three years. He was
a very hard working student and made
fair progress in his studies. He went
up for the matriculation examination of
1907. but could not secure a pass. He
belongs to a very respectable family -
being connected with the Royal family
of Mysore and is very honest. It -
appears to me he will do well in any
department in which he may be employed.
