G.O., No. 515, Educational, dated 10th July 1908.

ABSTRACT.—Recording report of the Director of Public Instruction as to how the requirements of the Educational rules as regards the qualifications and number of teachers in Secondary schools were complied with in the Ceded districts and approving the proposal of that officer that the discretionary power with regard to rule 28 should for the present remain with him.

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., C.I.E., Director of Public Instruction.
To—the Secretary to Government, Educational Department.
Dated—Madras, the 7th January 1910.
No.—Ref. on Cur. 8260/09.

With reference to G.O., No. 515, Educational, dated 10th July 1908, regarding the enforcement of rules 23 and 28 of the Madras Educational Rules, fifth edition, in the case of Secondary schools in the Ceded districts, I have the honour to report that, except the Board High School at Harpanahalli and the London Mission High School at Gooty, all the high schools are now nearly as well off in regard to staff as schools elsewhere but that the incomplete Secondary schools, of which the number has been reduced from 13 to 7, have not improved to the same extent in this respect. Pressure will be brought to bear upon these institutions until they completely comply with the rules; but some concessions are desirable for the present.

Order—No. 40, Educational, dated 25th January 1910.

NOTES CONNECTED WITH G.O., No. 40, EDUCATIONAL,
DATED 25TH JANUARY 1910.

[SUBJECT.—Report regarding the enforcement of rule 28 of the Madras Educational Rules in respect of secondary schools in the Ceded Districts.]

From the Director of Public Instruction, dated 7th January 1910, No. 8260.

Please see G.Os., Nos. 78, Educational, dated 15th February 1907, and 515, Educational, dated 10th July 1908, and the notes connected with them. In the first of these Government Orders the Director of Public Instruction was permitted to exercise his discretion in the matter of enforcing the provisions of rule 28 (regarding the number of teachers) of the new Educational Rules, in the case of secondary schools situated in the Ceded Districts. In the second Government Order the Government approved the proposal of the Director of Public Instruction that he should be allowed to continue to exercise that discretion and requested him to submit a report on 1st January 1910.

2. The Director now submits the report called for. He states that except the Board High school at Harpanahalli and the London Mission High school at Gooty, all the High schools are now nearly as well off in regard to staff as schools elsewhere but that the incomplete secondary schools, of which the number has been reduced from 13 to 7, have not improved to the same extent in this respect. Dr. Bourne adds that pressure will be brought to bear upon these institutions until they completely comply with the rules but that some concessions are desirable for the present.

3. The circumstances that make it difficult to insist on strict compliance with the provisions of the rules in the Ceded Districts are detailed in paragraph 2 of Dr. Bourne's letter printed on page 2 of G.O., No. 515, Educational, dated 10th July 1908. It does not appear that anything further can be done in the matter at present. The Director's report may be recorded.

4. The draft order placed below is submitted for approval.

P.R.—18-1-10.

Please put up copy of the last Public Instruction Report and of the Government's review thereon.

K. RANGASWAMI AYYANGAR—18-1-10.

A copy of the Public Instruction Report for 1908-1909 and a copy of G.O., No. 662, Educational, dated 23rd December 1909, are put up. Paragraph 5 of the Government Order contains information regarding elementary and secondary schools.

P.R.—18-1-10.

Please see paragraph 63 of the Public Instruction Report for 1908-1909 and paragraph 5 G.O., No. 662, Educational, dated 23rd December 1909. It does not appear that Government can do anything but accept the Director of Public Instruction's opinion in the matter.

K. RANGASWAMI AIYANGAR—19-1-10.

C. A. SOUTER—19-1-10.

The draft below is submitted for approval. There does not seem to be any need to press the Director of Public Instruction to do more in the way of enforcing compliance with the rules 23 and 28 for certificated teachers and a full complement of teachers in secondary schools in the Ceded Districts than he is doing already.
