Copy of letter from F.A. Coleridge Esq., I.C.S., Acting
Collector of Cuddapah Ref. on C.No.969/Petition of 1904,
dated 24th July 1904.

I have the honour to forward herewith the petition
of R. Vaikunta Sarma, Sub Overseer, Minor Irrigation Department,
Madanapalle, requesting to be exempted from the Overseer's Test.

Petitioner has passed the Survey Test in 1895 and
was employed in the Public Works Department in January 1896
and has been in service since.

In the Public Works Department persons who passed
the Surveyor's test prior and subsequent to the petitioner
are now Overseers on Rs.80.

I request that the Board grant the exemption asked
for as the petitioner has worked for two years under my
personal supervision (as Sub Collector) and has given complete
satisfaction. He is in every way qualified so far as
professional ability is concerned to be an Overseer. During
the plague in Madanapalle taluk he rendered invaluable
service being always able to get work done when others
failed lamentably.

All the works he has carried out under me (as ~~Sub~~
Collector) have been thoroughly done.

C. No. 3 From the Board of Revenue No. 2957, dated 27-12-1907.

SUBJECT: Exemption from the examination rule of
R. Vaikunta Sarma for employment as Minor
Irrigation Overseer on Rs 60 p.m. in the Cuddapah Dt.

A

In G.O. 231 Rdy 12th June 1909 the Govt sanctioned the temporary exemption from the examinations prescribed for the Engineer Subordinate (Overseer) class of the College of Engineering from 20th April to 19th October 1909 of R. Vaikunta Sarma, Minor Irrigation Sub. overseer, Cuddapah Dt, (Pay Rs 50 p.m.) for his promotion to the post of Minor Irrigation Overseer on Rs 60 p. m.

Pages 5 & 6 of C.F.

2. The Board of Revenue now submits two applications — one for the permanent exemption of R. Vaikunta Sarma from the same test for his confirmation as Minor Irrigation Overseer and the other for his temporary exemption from 20th October 1909^{*} to the date of permanent exemption or to the date of relief by a qualified person (in case the permanent exemption is refused). In the latter case the Collector of Cuddapah requests that exemption for a definite period of six months may be sanctioned.

Pages 9 & 10 of C.F.

* The date, namely, 19th October 20th October 1909^{*} given in the application is incorrect as exemption for that pay has been granted in G.O. 231 Rdy 12. 6. 09 — A.

Page 6 of C.F.

3. Vaikunta Sarma has passed only the Middle School examination and the Survey Sub. overseer's test of the College of Engineering. He has put in a service of 18 years. His application is made in consideration of his (Vaikunta Sarma's) merit and services rendered by him during Plague in Madanapalle and also in view of the fact that he is "hardworking, reliable and energetic." In Col. 8 of the application it is stated that the

Service

Services of paired Candidates are available. The Board of Revenue, however, recommends that the exemption applied for may be granted. Please see also the application papers and 6 of CF.

4. It is for consideration whether Vaikunta Sarma may be permanently exempted or whether his exemption may be sanctioned only for a period of six months. Perhaps the remarks of the Revenue Department may also be obtained u.o. in the first instance.

* Pay Rs. 50 p.m.

R. Vaikunta Sarma is a permanent Minor Irrigation Suboverseer on Rs 50 p.m., and has passed the Suboverseer and Surveyor test of the College of Engineering, which is the qualifying test for that post. The Collector of Cuddalore (Mr. Partridge) recommends this man's exemption from the Examination prescribed for the Engineer Subordinate class of the College of Engineering, which is the test prescribed for the post of Minor Irrigation overseer, to which he proposes to appoint Vaikunta Sarma. The recommendation is made entirely on personal grounds and from Col. 8 of the application on p. 6 of the Current file it appears that a ~~passed man~~ "the Services of a duly qualified hand can be secured". In view of the strong recommendation of the Collector, which is supported by the Board of Revenue, and of the fact that he has already passed

Col. 1 of application -

passed the Subscribers & Surveyors test of the College of Engineering and has put in a Service of 13 years as minor Irrigation Subscribers in the Cuddapah district; it is for consideration whether the exemption asked for may be granted ~~at least~~ so far as regards appointment of m. J. overseers in the Cuddapah district - Gp. No 553 G.O. dt 9. 10. 09. Please see also Gps G & F. No. 27 G.O. dt 16. 1. 07 and No. 29 G.O. dt 11. 1. 08, in which similar applications for exemption were refused. Attention is also solicited to D. Gp. No. 559 G.O. dt 29. 10. 09.

It is entirely against policy to grant exemptions in such a case as this especially when ~~for~~ qualified candidates are available.

to be available, I submit
that the applicant should only
be exempted for 6 months during
which time he will have been
employed in the P.C. 50 grade.

If he is exempted for the 60th
Grade he will of course expect to
go on up to the 80th Grade.

The fact that he did good
work during the plague at Madras
— in putting up plague sheds &
supplies — is hardly a very strong
recommendation in favor of the
main capacity for making up minor
sanitation work & getting that class of
work done.
