Government

✓
Government exempted certain officers in the Salt, Abkari and Customs Department, from passing some of the Departmental tests on the ground that they had completed 20 years' service and were over 40 years of age on 1st April 1907 and 1st April 1908. The Board now begs to apply, as a special case, for the exemption of M.R.Ry. C. R. Subba Rao, Assistant Inspector, First Grade, from all the Departmental Tests. He was first appointed to Government service in July 1893, entertained in the Salt Department in July 1897 for special analytical work in the Board's Laboratory, and has for some years past oscillated between the Distillery and the Chemical Examiner's Office. He is now 49 years of age and although his service is under 20 years, the Board considers that his age and the special conditions of his entertainment qualify him for special treatment and accordingly requests that Government will be pleased to exempt him from passing all the Departmental Tests.

Subject - Exemption of M.Ry C. R. Subbarao
Asst Insp. I & A Dept, from passing
the departmental tests

C No. 144 B From Bd (S. & P.) CR No 34 of 1910
To Dy Secy

Attention is solicited to the note on pp 11-13
of order G.O. No 397 of 12.2.09, regarding the
old & new rules about the passing of special tests
by officers in the S. & A Customs Dept. ^{L. No. 433}
Exemption from passing special tests granted to
certain Insps, Asst Insps, Sub Insps & clerks
in the Dept. on the ground that they were 40 years
old & had completed twenty years' service & that
it would be ^{an undue hardship} to pass the tests. ~~Also in the~~

^C Similar exemption was sanctioned
in respect of some other officers in G.O. 397 of 12.2.09.
The Bd now applies as a special case for
the exemption of M.Ry C. R. Subbarao, Asst
Insp. I & A grade (P. 175) from all departmental
tests. He was first appointed to Govt service in
July 1893 in the Chemical Examiner's Office, and
at the time of the formation of the Bd's Laboratory
was taken into the Salt Dept. for special ana-
lytical work in the Laboratory in July 1897.
He is now 49 years of age & has put in 15 years
service up to 31.3.1909 or about 16 years' service at
present. He has passed only the ~~linguistic~~ lin-
guistic test (test E) in Tamil & has to pass the other
tests. The Bd considers that ~~the officer's age~~

pp 1-2 of
x No 15 of 33
of S. & P. Dept

~~and~~ although the officer's service is under 20 years, his age and the special conditions of his entertainment qualify him for special treatment and accordingly request that Govt will be pleased to exempt him from passing all the departmental tests.

It is not clear how the fact that he was taken into the dept. for special analytical work in the beginning entitles him to exemption though ~~that~~ his age might be a bar to his going through the tests successfully. It is for consideration whether on this ground the Bd's recommendation will be accepted.

Co
2.19.10

The Bd. apparently means that this officer since his entertainment in the dept. has never been as an Asst. Dept. Secy in a Salt factory or a Revenue Circle (except for a short time in the Ennore Salt factory) but has been either in a distilling or dist. Laboratory or Chemical Expt. office & as such had not facilities for learning details of departmental work connected with Salt factories, Revenue duties etc. It also adduces his age (49) as another reason for the exemption.

Submitted for Rev: may support the Bd's recommendation & pass on the file to Educational.
