Returned to the Secretary to the Government of
Madras, Educational Department.

2. As it is understood that the non-official members of the Board are paid by fees, Government can sanction travelling allowance to them in accordance with Article 1005 Civil Service Regulations.

3. The travelling allowance and the fees when paid would appear to be debitable to "22 Education-Miscellaneous. In view however of the fact that provision for the receipts and charges in connection with the school Final Examination have been made in the budget estimates for 1910-11 under XXI and 26 Scientific and other minor departments respectively, it is for consideration whether the expenditure now in question should not also be debited to the latter head under the minor head "Examinations"
