SIR,

Mr. J. W. Coombes, Deputy Superintendent, Reformatory School, Chingleput, and a member of the Provincial Educational Service, Madras, who has been granted combined privilege leave and furlough for 15 months from the 1st April next, proposes to spend two months of his leave in Japan and the rest of it in England and on the Continent of Europe and to visit important Art, Industrial and Reformatory schools with the object of acquiring information likely to be of service to him in the conduct of his duties. He requests to be furnished with letters of introduction to the Director of Public Instruction, Tokyo, Japan and to the Secretary of State for India to help him to carry out successfully the objects he has in view.

2. The Governor in Council considers that Mr. Coombes would be likely to make good use of any facilities that it may be possible to afford him and is addressing the

Secretary of State direct* on the subject of arrangements to enable Mr. Coombes

to visit important Art, Industrial and Reformatory schools in the United Kingdom and on the Continent. As regards Japan, I am to request that the Government of India will be pleased, if there is no objection, to address the proper authorities on his behalf.

3. I am to add that Mr. Coombes will pay his own expenses and that it is not proposed to place him on special duty or to grant him any special allowance. Mr. Coombes expects to arrive in Japan about the 9th of May next.

I have the honour to be,

Sir,

Your most obedient servant,

Ag. Secretary to Government.

NOTES CONNECTED WITH G.O., Nos. 104, 105, EDUCATIONAL,
DATED 2ND MARCH 1910.

[SUBJECT.—Mr. Coombes's request for letters of introduction to the Secretary of State for India and the Director of Public Instruction, Japan.]

From the Director of Public Instruction, No. 880, dated 12th February 1910.

Mr. J. W. Coombes, Deputy Superintendent, Reformatory School, Chingleput, has been granted combined privilege leave and furlough for 15 months from 1st April 1910—*vide* G.O., R. No. 31, Educational, dated 28th January 1910.

2. He states that he intends to spend two months of his leave in Japan and the rest of it in England and on the continent, and as he is desirous of visiting the Art schools, the Industrial schools and the Reformatory schools of these places he requests to be furnished with letters of introduction to the Director of Public Instruction, Tokyo, Japan, and to the Secretary of State for India to help him to carry out successfully the objects he has in view. The Director of Public Instruction recommends that Mr. Coombes's request may be complied with.

3. It is for consideration whether Mr. Coombes's request may be complied with. If it is to be complied with, the Secretary of State may be requested by a letter to arrange for Mr. Coombes's visiting important Art, Industrial and Reformatory schools in the United Kingdom and on the continent. As for the letter to the Director of Public Instruction, Japan, this Government cannot communicate directly with any officers in Japan—*vide* G.O., No. 4, Public, dated 6th January 1890, and G.O., No. 187, Public, dated 14th February 1899. If the help of the Japan Government to Mr. Coombes's visiting the Art, Industrial and Reformatory schools in Japan is to be obtained, the Government of India will have to be addressed in the matter. It is for consideration whether the Government of India may be addressed.

T.K.—17-2-10.

Attention is solicited to G.O., No. 110, Educational, dated 12th February 1908, from which it is observed that when a Japanese officer visited India, the request to this Government to afford him facilities came from the Government of India and not direct from the Japanese Government. It appears therefore that the Government of India should be addressed in the matter of Mr. Coombes's request to visit the schools in Japan.

K. RANGASWAMI AIYANGAR—18-2-10.

G.O., No. 49, Educational, dated 30th January 1903, regarding the grant of facilities to Educational officers to study educational matters in England while on furlough, is put up as directed by the Under Secretary. This Government order applies, it is submitted, only to officers of the Indian Educational Service—*vide* Secretary of State's despatch on page 3 of the Government Order.

K. RANGASWAMI AIYANGAR—19-2-10.

If Mr. Coombes only wants a letter of introduction, a letter from the Director of Public Instruction or a passport which he can get from the Chief Secretary should be sufficient.

2. But what he apparently desires is something more. He wants the authorities in Japan and at home to write letters for him to heads of institutions when he gets to Japan and England; as is done for officers of the Indian Educational Service who are deputed on study leave under the despatches in G.O., No. 49, Educational, dated 30th January 1903. This would apparently necessitate a despatch to the Secretary of State and a letter to the Government of India. If these despatches are to be written Mr. Coombes should submit a programme and allow plenty of time. His leave begins on the 1st April. If he wants to start off for Japan at once then, there would not be time for the Government of India to arrange.

A. GALLETTI—19-2-10.

Mr. Coombes is an officer of the Provincial Educational Service, 4th grade, on Rs. 450. He does not ask to be deputed on special duty while on furlough to study under the rules applicable to members of the Indian Educational Service but only to be afforded facilities for visiting Educational institutions, Reformatory schools and Art and Industrial schools. Submitted that his request may be complied with and the necessary letters addressed to India and the Secretary of State.

L. M. WYNCH—21-2-10.

I have no objection to Mr. Coombes being given facilities to visit schools in Japan and in England and on the Continent and letters may issue accordingly. It should be made plain that we do not contemplate Mr. Coombes being placed on special duty or being given any special allowance.
