GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following papers:—

I

G.O., No. 171, Educational, dated 19th March 1909.

ABSTRACT.—Sanctioning, on certain conditions, a grant of Rs. 6,700 towards the cost of providing additional accommodation required for the Madura College.

II

G.O., No. 367, Educational, dated 21st June 1909.

ABSTRACT.—Declining to refund to the College Board its contribution towards the cost of the extensions to the college building in the event of Government's resuming the building, but extending the time for the completion of the extensions to one year from the date of receipt of the Government Order by the College Board.

III

Memorandum—No. 222-1, Educational, dated 5th February 1910.

It has been represented to Government that the Madura College Board has already spent a large sum of money towards the improvement of the college and that it cannot raise the funds required for the extension of the buildings on the condition stated in clause (6) of paragraph 1 of G.O., No. 171, Educational, dated 19th March 1909, but that if the Government would consent to alter the condition and allow a repayment to the Board of the sum contributed by that body, in the event of the resumption of the building by Government, the Board could raise something like Rs. 15,000 for building purposes. As it is unlikely that the building will be resumed, the Government do not at present see any objection to altering the condition as suggested. The Director of Public Instruction is requested to be good enough to consider the matter and to state whether he agrees that the Government should modify clause (6) of paragraph 1 of G.O., No. 171, Educational, dated 19th March 1909.

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 16th February 1910.

No.—Ref. on Cur. 811.

With reference to Official Memorandum No. 222-1, Educational, dated 5th February 1910, I have the honour to state that clause (6) of paragraph 1 of G.O., No. 171, Educational, dated 19th March 1909, may well be modified. It is not at all likely that the Government will ever resume the building, but should they do so its value will have been greatly increased by the extension now proposed. The plans for the proposed work have been approved by the Public Works Department and the building will be completed to the satisfaction of that department.

Order—No. 108, Educational, dated 4th March 1910.

The Government are pleased on reconsideration to cancel clause (6) of paragraph 1 of G.O., No. 171, Educational, dated 19th March 1909, which made it one of the conditions of a grant to the Madura College for a building that in the event of the resumption of the buildings by Government the management should have no claim of any kind to or in respect of the new buildings, and to substitute the following condition, viz., that in the event of the resumption of the buildings by Government two-thirds of the value of the new buildings as estimated by the Executive Engineer at the time of resumption shall be refunded to the Madura College Board.

DATED 4TH MARCH 1910.

[SUBJECT.—*Resumption of the Madura College buildings by Government.*]

The Headmaster of this school has been to see me to try and get a reconsideration of G.O., No. 367, dated 21st June 1909. What he represents is that the College Committee have had to spend much and cannot raise more money on the terms prescribed.

The money could be raised without difficulty, about Rs. 15,000 I think he said, if Government would consent to alter the condition (No. 6) and allow a repayment to the Board of the sum contributed by the Board—if Government ever resumes the buildings. It is very unlikely Government will resume this building in the near future as it is not proposed to establish a high school (model) here, and this Native school is firmly established and doing excellent work. I do not see any objection to assenting to alter this condition and I understand from Dr. Bourne that he will not object. It merely means that in taking back to school we shall pay the Committee what they have laid out in improvements. This seems reasonable.

Please refer the matter to Dr. Bourne saying it has been so represented to Government and ask him his opinion; if he agrees I think we should modify the previous order on the subject.

M. H[AMMICK]—1-2-10.

Please draft Official Memorandum to Dr. Bourne accordingly.

[Memo. No. 222-1, Educational, dated 5th February 1910.]

From the Director of Public Instruction, dated 16th February 1910, Ref. on C. No. 811.

The Director of Public Instruction states that clause (6) of paragraph 1 of G.O., No. 171, Educational, 19th March 1909, may well be modified.

2. It is for consideration whether the Government Order may be modified so as to make it clear that in the event of the Government's resuming the buildings the sum contributed by the Board towards the cost of the extension will be refunded to the College Board.

P.R.—18-2-10.

Clause (6) of paragraph 1 of G.O., No. 171, Educational, dated 19th March 1909, says "that in the event of the resumption of the building by Government the management shall have no claim of any kind to or in respect of the buildings which it is now proposed to add."

2. In May last, the Madura College Board requested that the above condition might be so altered as to make it clear that "in the event of the Government's resuming the buildings, the sum contributed by the Board towards the cost of the extension will be refunded to the Board."

3. The estimated cost of the proposed additional accommodation is Rs. 20,200, and the Government have sanctioned a grant not exceeding Rs. 6,700. The College Board will thus have to spend about Rs. 13,500, on the proposed additional buildings, and the Government will have to repay this sum to the Board, in the event of the resumption of the building.

4. It is for consideration whether the following may be substituted for paragraph 1 (6) of G.O., No. 171, Educational, dated 19th March 1909:—

"(6) that in the event of the resumption of the building by Government, the management shall be entitled to a refund of the sum contributed by them towards the cost of the proposed extension."

K. RANGASWAMI AIYANGAR—18-2-10.

I don't quite understand why the management should get the whole sum back in the case that the new building has in the meanwhile depreciated in value. They would have taken out in use the difference in value. The new condition might be that they should in the event of resumption be refunded two-thirds of the value (to be estimated by the Executive Engineer) of the extension at the time of resumption.

A. GALLETTI—19-2-10.

I agree. Please draft accordingly.
