Letter—from H. G. STOKES, Esq., Deputy Secretary to the Government of India, Home Department (Education).

To—the Secretary to the Government of Madras, Educational Department.

Dated—Calcutta, the 5th March 1910.

No.—188.

In continuation of the Home Department telegram No. 163, dated the 25th February 1910, and with reference to your letter No. 18, dated the 11th January 1910, I am directed to address you regarding the appointment of Mr. Lobban permanently to the Indian Educational Service.

2. In paragraph 6 of your letter of the 11th January 1910 you inquired whether Mr. Lobban might be treated as if he had been permanently appointed to the Indian Educational Service, and whether he might be granted the following concessions:—

- (1) Exchange compensation allowance with retrospective effect;
- (2) Rs. 600 being arrears of salary at Rs. 550 for the second year of his service; and
- (3) pay at Rs. 600—50—750 *per mensem* from the 1st April next with the prospect of the usual further increase if he is confirmed.

You also asked that Mr. Lobban might be permitted to take outside work of a consulting nature until his services were permanently retained, provided that such work did not interfere with his College duties.

3. The Government of India after carefully considering these proposals came to the conclusion that they could not extend such special treatment to Mr. Lobban without creating an undesirable precedent. They considered moreover that it would have been wrong in principle to alter the terms on which Mr. Lobban had agreed to serve for two years. They however saw no objection to the admission of Mr. Lobban to the Indian Educational Service, and the grant to him of an initial salary of Rs. 600 *per mensem* with effect from the termination of his present agreement on the 12th March 1910. The Secretary of State has sanctioned these proposals in his telegram of the 23rd February 1910 a copy of which with that from the Government of India to which it is a
