GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper :—

Letter—from A. G. BOURNE, Esq., D.Sc., F.R.S., C.I.E., Director of Public Instruction, Madras.

To—the Secretary to Government, Educational Department.

Dated—the 17th December 1909.

No.—Ref. on C. 6890.

I have the honour to submit 25 memorials from some of the peons and messengers of this department in the Presidency town and to recommend that in the circumstances stated therein the minimum pay of all the attenders, peons and messengers employed in this department in the Presidency town be fixed at Rs. 8 *per mensem*.

I understand that none of the attenders and peons employed in the office of the Board of Revenue (Land Revenue) gets less pay than Rs. 8 *per mensem*.

ENCLOSURES.

(1)

Memorial—from M. MURUGESA MUDALI, muchi in the office of the Registrar of Books, Madras.

To—His Excellency the Governor in Council (through the Registrar of Books and the Director of Public Instruction).

Dated—October 1909.

MOST RESPECTFULLY SHEWETH—That your memorialist is a muchi in the office of the Registrar of Books, Madras, in receipt of a pay of Rs. 9 *per mensem*, with an total service of 19 years.

2. That your memorialist among others begs to acknowledge with gratitude the good that has arisen from the reduction of the salt duty and other concessions. These and other manifestations of the parental care and kind sympathy on the part of the Government have induced the memorialist to fervently hope that one point more will receive your Excellency's favourable consideration.

3. That your memorialist begs to submit that of late years his existence in the Presidency town has for a variety of causes become more and more costly, though Government have kindly sanctioned grain compensation allowance.

4. That the more important causes of this increased cost of living in Madras are (i) the enhanced price at which rice, the staple food of the Madrasis, is selling and (ii) the constantly increasing house-rent which advances in more than equal proportion to the rise in taxes and population.

5. That the Memorialist tells nothing but the plain truth when he says that the sum of Rs. 9 a month, which has fallen to his lot, together with the grain compensation allowance is quite inadequate to enable him to make both ends meet after defraying the cost of the above-mentioned two main items of expenditure.

6. That the memorialist submits that the pay of the peons, attenders and duffadars in the Government Secretariat and Revenue Board offices has been raised and they are also provided with clothing free.

7. That the scale of pay of the lower appointments in this office is not such as to give him hopes of redeeming his worldly status even at a distant future.

8. That the memorialist therefore prays that, in view of these circumstances and of the fact that the present low scales of salaries were fixed years ago when living was comparatively much cheaper than at present, the scale of pay of the menial establishment of this office may be enhanced and that the starting pay may be fixed at least at Rs. 10 *per mensem*, exclusive of grain compensation allowance.

9. For this act of your Excellency's kindness and generosity in the matter, the memorialist shall feel most grateful and shall, as in duty bound, ever pray, etc.

(2) to (25).

Similar memorials from 24 other servants of the Educational Department.

Order—No. 117, Educational, dated 12th March 1910.

The Government accept the proposal of the Director of Public Instruction that the minimum pay of attenders, peons and messengers employed in the various educational offices and institutions in the Presidency town should be fixed at Rs. 8 *per mensem*. They also consider that the minimum pay of menial servants in the Government Museum and in the office of the Commissioner for Government Examinations should be similarly raised.

2. The Director of Public Instruction, the Commissioner for Government Examinations and the Superintendent, Government Museum, are requested to submit proposition statements to give effect to these orders.

NOTES CONNECTED WITH G.O., No. 117, EDUCATIONAL,
DATED 12TH MARCH 1910.

[SUBJECT.—*Raising of the minimum pay of peons and attenders in the Educational offices in the Presidency town.*]

From the Director of Public Instruction, dated 17th December 1909, No. 6890.

The Director of Public Instruction submits 25 memorials from muchis, attenders and peons employed in the Educational offices in the Presidency town praying for increase of pay, and recommends that the minimum pay of all the attenders, peons and messengers employed in the Educational offices and institutions in the Presidency town may be fixed at Rs. 8 per mensem.

2. The question of raising the minimum pay of peons employed in the Presidency town has been under the consideration of the Financial Department for some time and that department may, it is submitted, be asked to state whether any and, if so, what decision has been come to in the matter.

EDUCATIONAL DEPARTMENT.

In the Financial Department, the general question of raising the pay of the menials throughout the Presidency appears to have been abandoned for the present. Please see the Honourable Member's notes on page 6 of the notes with G.O., No. 518, Educational, dated 20th November 1909. The Hon'ble Mr. Atkinson noted that the question should lie over until it was decided to what use the growing revenues of Government should be devoted and the Hon'ble Mr. Hammick remarked that he was not in favour of any general scheme for a rise all round to menial establishments at present.

2. But as the minimum pay of clerks in the Educational offices and institutions in the Presidency town has recently been raised, it is for consideration whether the minimum pay of attenders and peons in the Educational offices and institutions in the Presidency town may not be similarly raised.

3. The Director of Public Instruction notes that none of the attenders and peons employed in the office of the Board of Revenue (Land Revenue) gets less pay than Rs. 8 per mensem and recommends that the minimum pay of all the attenders, peons and messengers employed in the Educational department in the Presidency town may be fixed at Rs. 8 per mensem.

4. The following statement shows the number of attenders, peons and messengers employed in the Educational department in the Presidency town who are getting less than Rs. 8 per mensem :—

5. If the recommendation of Director of Public Instruction is accepted, the result will be an increased cost of Rs. 100 per mensem or Rs. 1,200 per annum.

T. KANAKASUNDARAM PILLAI—2-2-10.

In G.O., No. 1547, Revenue, dated 1st June 1908, the Government approved the proposal to raise the minimum pay of peons and attenders in the Board's office to Rs. 8 per mensem. But in G.O., No. 1212, Revenue, dated 4th May 1909, the Government, in dealing with the memorials for increase of pay from the inferior servants in the North Arcot and Chingleput Collectors' offices, considered that for the present the grant of famine batta was a sufficient concession. Please see also the Hon'ble Mr. Hammick's remarks on page 6 of the notes with that Government Order. There is no doubt that living is decidedly more costly in the Presidency town than in the mufassal and the high prices of food stuffs which have been ruling for some years past have added to the cost in no small measure. All the menials who have now memorialized get famine batta, and it is for consideration whether the Director of Public Instruction's recommendation to fix their minimum pay at Rs. 8 per mensem may be accepted.

K. RANGASWAMI AIYANGAR—4-2-10.

Very recently Government have approved the raising of the peon's pay in the High Court to Rs. 8. I submit that

the pay of peons in the Presidency town should be considered apart from the question of raising peon's pay generally. The Presidency town is more expensive than elsewhere. It seems to me that no difference should be made in the minimum pay of the peons in one office from that in other offices in Madras itself.

C. A. SOUTER—5-2-10.

In G.O., No. 1547 (Confld.), Revenue, dated 1st June 1908, Government accepted the Board's arguments for raising the minimum pay of peons and attenders in the Board's office and fixed the minimum at Rs. 8 per mensem instead of Rs. 10 as recommended by the Board.

2. The same arguments apparently hold good as regards the menials in the Educational department and the claim now put forward that their pay should be raised can hardly be resisted except on grounds of financial inability.

3. The Government have sanctioned the proposal of the High Court to raise the scale of pay of their menial establishment and I submit that the same consideration should be shown to the menials in the Educational establishments.

The additional cost will be Rs. 1,200 per annum.

Eventually no doubt other establishments in the Presidency town will follow suit and the result of granting the concession in all cases is given at page 21 of notes to G.O., No. 518, Financial, dated 20th November 1909. It amounts to Rs. 7,296 per annum. This would hardly be sufficient ground for refusing to grant the prayer of the present memorialists.

L. M. WYNCH—7-2-10.

Yes. I think we may raise the pay of all now receiving less than Rs. 8 per mensem to Rs. 8. This sum seems about the lowest wage suitable for this kind of servants. I agree to it.

FINANCIAL DEPARTMENT.

Attention is solicited to the Chief Secretary's (Hon'ble Mr. Cardew) note, dated 24th October 1909, and the Honourable Member's notes, dated 29th October 1909, and 8th November 1909, on pages 5-6 of notes to G.O., No. 518, Financial, dated 20th November 1909, where it was decided that the question of the general revision of pay of the inferior establishments throughout the Presidency need not be considered at present.

2. Subsequently, however, in G.O., No. 149, Judicial, dated 25th January 1910, the Government approved the proposal of the High Court to raise the minimum pay of the peons in the High Court and to regrade the staff on a scale similar to that obtaining in the offices of the Secretariat and the Board of Revenue. It was then anticipated that applications would be submitted by other heads of departments for a similar increase.

Paragraph 1 of Director of Public Instruction's letter.

Paragraphs 1 to 3 of Educational Secretary's note and the Hon'ble Mr. Hammick's note on page 3 *ante*.

Cf. also Hon'ble Sir James Thomson's note, dated 5th August 1902, and Lord Ampthill's note, dated 8th August 1902, on page 2 of notes to G.O., Nos. 754-55, Financial, dated 24th September 1902.

"A peon is a peon in whatever department he is employed and if 1 anna a day is an insufficient travelling allowance for a Revenue peon, it is also insufficient for a Public Works Department peon."

5. If the minimum pay is fixed at Rs. 8 for inferior servants (attenders, muchis and peons) in the offices at the *Presidency town*, it seems practically certain that the minimum pay of similar classes of servants

should be raised to at least Rs. 7 in the *mufassal offices*. The minimum is already Rs. 7 in the Collectors' and Divisional offices and in Registration offices and the Government have approved of a similar proposal in the case of taluk peons—[the Board has been asked to send a proposition statement which will, on its receipt, be forwarded to the Government of India for obtaining the sanction of the Secretary of State. Excluding the cost of raising to Rs. 7 the pay of peons in taluk offices]—the extra charge on account of raising to Rs. 7 the pay of peons in the remaining *mufassal offices* will be about 14 lakh *per annum* (01 lakh Imperial and 13 Provincial).

Paragraph 2 of G.O., No. 1860, Judicial, dated 19th July 1909, and paragraphs 9 (6), 10 and 11 of Board's reference on page 7 *ibid*.

3. The Director of Public Instruction has now recommended the raising of the minimum of pay of attenders and peons to Rs. 8 in the various Educational offices and institutions in the *Presidency town*. The Educational Department have approved of this proposal mainly on the ground that the same arguments which led Government to fix the minimum pay of attenders, muchis and peons at Rs. 8 in the offices of the Board of Revenue and in the High Court hold good in the case of inferior servants in other offices at the *Presidency town*.

4. By sanctioning the present proposal, the Government are therefore virtually committed to raise to Rs. 8 the minimum pay of attenders and peons in all the remaining offices at the *Presidency town* in the *immediate future*. The total extra cost involved will be about Rupees 6,800, of which Rs. 1,500 is debitable to Imperial and Rs. 5,300 to Provincial.

6. The present sanction, though it costs only Rs. 100 *per mensem* really commits Government to an expenditure of 21 lakh *per annum* (02 lakh Imperial and 19 lakh Provincial).

7. If the draft in the present case is accepted, the Director of Public Instruction may be asked to submit a reappropriation statement showing how he proposes to meet the extra cost during the next year.

Yes.

V. GOPALA KRISHNAN—24-2-10.

C. REILLY—25-2-10.

I would accept the proposal in this case as set forth in the draft Educational Government order. No doubt this is the commencement of a policy which will eventually have a much wider scope as indicated in paragraphs 4 to 6 of the office-note. The total amount involved, however, is not large, and it will not be worked up *per saltum*. Individual offices can be dealt with on their merits.

I agree.

That your Memorialist is a peon in the office of the Inspector of European and Training Schools, Madras, in receipt of a pay of Rs. 7 per mensem, with a total service of 4 years and 6 months.

2. That your Memorialist among others begs to acknowledge with gratitude the good that has arisen from the reduction of the salt duty and other concessions. These and other manifestations of the parental care and kind sympathy on the part of the Government have induced the Memorialist to fervently hope that one point more will receive Your Excellency's favourable consideration.

3. That your Memorialist begs to submit that of late years his existence in the Presidency town has for a variety of causes become more and more costly, though Government have kindly sanctioned grain compensation allowance.

4. That the more important causes of this increased cost of living in Madras are (i) the enhanced price at which, rice, the staple food of the Madrasis, is selling and (ii) the constantly increasing house-rent which advances in more than equal proportion to the rise in taxes and population.

5. That the Memorialist tells nothing but the plain truth when he says that the sum of Rs. 8 - 8 - 0 a month, which has fallen to his lot together with the grain compensation allowance is quite inadequate to enable him to make both

ends

ends meet after defraying the cost of the above mentioned two main items of expenditure.

6. That the Memorialist submits that the pay of the peons and duffadars in the Government Secretariat and Revenue Board offices has been raised and they are also provided with clothing free.

7. That the scale of pay of the lower appointments in this office is not such as to give him hopes of redeeming his worldly status even at a distant future.

8. That the Memorialist therefore prays that in view of these circumstances and of the fact that the present low scales of salaries were fixed years ago when living was comparatively much cheaper than at present, the scale of pay of the menial establishment of this office may be enhanced and that the starting pay may be fixed at Rs. 10/- per mensem exclusive of grain compensation allowance.

9. For this act of Your Excellency's kindness and generosity in the matter, the Memorialist shall feel most grateful and shall, as in duty bound, ever pray,

and remain

That your Memorialist is a *Duffador* in the office of the Director of Public Instruction, Madras, in receipt of a pay of Rs. // per mensem, with a total service of 25 years.

2. That your Memorialist among others begs to acknowledge with gratitude the good that has arisen from the reduction of the salt duty and other concessions. These and other manifestations of the parental care and kind sympathy on the part of the Government have induced the Memorialist to fervently hope that one point more will receive your Excellency's favourable consideration.

3. That your Memorialist begs to submit that of late years his existence in the Presidency town has for a variety of causes become more and more costly, though Government have kindly sanctioned grain compensation allowance.

4. That the more important causes of this increased cost of living in Madras are (i) the enhanced price at which, rice, the staple food of the Madrasis, is selling and (ii) the constantly increasing house-rent which advances in more than equal proportion to the rise in taxes and population.

5. That the Memorialist tells nothing but the plain truth when he says that the sum of Rs. // a month, which has fallen to his lot together with the grain compensation allowance is quite inadequate to enable him to make both ends meet after defraying the cost of the above mentioned two main items of expenditure.

40

6. That the Memorialist submits that the pay of the peons, attenders and duffadars in the Government Secretariat and Revenue Board offices has been raised and they are also provided with clothing free.

7. That the scale of pay of the lower appointments in this office is not such as to give him hopes of redeeming his worldly status even at a distant future.

8. That the Memorialist therefore prays that in view of these circumstances and of the fact that the present low scales of salaries were fixed years ago when living was comparatively much cheaper than at present, the scale of pay of the menial establishment of this office may be enhanced and that the starting pay may be fixed at least at Rs. 10/- per mensem, exclusive of grain compensation allowance.

9. For this act of your Excellency's kindness and generosity in the matter, the Memorialist shall feel most grateful and shall, as in duty bound, ever pray,

and remain,

(d) This slip should be returned by the Press to the Secretariat when proofs are furnished; it will be sent back to the Press when proofs are returned corrected and should be finally returned to the Secretariat when struck-off copies are supplied.
