The Hon'ble Sir Arthur Lawley Esqre.,
G.C.I.E., K.C.M.G.,

Governor of Madras.

The humble memorial of the undersigned citizens of
Tirupappuliyur, South Arcot District, most respectfully show-
eth:--

1. That the memorialists understand that it is in the con-
templation of the Government to abolish the Elementary Train-
ing School that has existed in this town for over the last
18 years.
2. That this information has caused a widespread feeling
of regret here and in the neighbourhood.
3. That the said Training school has been doing much service
by way of supplying a good lot of trained teachers to many
of the villages hereabout and by imparting cheap primary edu-
cation to the boys of this place.
4. That with the introduction of new methods in teaching
and the large facilities for popularising elementary educa-
tion, it was hoped that the said school would enter upon a
new era of efficiency and usefulness by imparting in its
model-classes the best kind of education to the boys with
little cost, as also by sending out in increasing numbers
teachers who receive training under the new system.
5. That it is painfully disappointing to the memorialists
and their fellow-citizens to learn that their hopes have
been

entertained in vain.

6. That the memorialists venture to request that due consideration may be given to the real needs of the locality and the earnest wishes of the public before the abolition of the school is decided upon.

7. That there are a good many weighty reasons in favour of retaining the school here; some of which are:--

1stly. This is the only well-organised Elementary school in all this town.

2ndly. The people of this town and suburbs are in the main too poor to give their children secondary education, so that under the existing arrangements resort to the Elementary Schools will sooner or later become a necessity with the majority.

3rdly. When under the new scheme the Training School, Tanjore, will cease to give elementary education, this place will prove a convenient centre for the students from Tanjore District also. and

4thly. This town being the Head Quarters of this District and situated in a healthy locality, students will feel more comfortable here than in Villupuram or any other place.

8. In conclusion the memorialists pray that the said Training school may be retained and such steps taken as will ensure its permanence and enlarge its sphere of usefulness.

Subject:

Abolition of the Elementary Training
School in Cuddalore.

The Private Secretary to His Excellency
the Governor transfers for disposal two
memorials from the inhabitants of Tirupapuliyur
(Cuddalore) South Arcot District, against the
proposed abolition of the Government Elementary
Training School in Cuddalore. The memorialists
request that the Elementary Training School
in Cuddalore may be retained and that steps
may be taken to ensure its permanence and
enlarge its sphere of usefulness.

2. The proposals of the Director of
Public Instruction for the establishment of
training schools for higher elementary teachers
and for the complete reorganization of the
existing Government training institutions
in this Presidency, which were generally
J approved in G.O. No. 155 Educational, dated
15th March 1909, involve the abolition of the
Training School at Cuddalore — Vide paragraph
1 of the Director of Public Instruction's
letter dated 21st December 1908 on page 8
of G.O. No. 155 Educational, dated 15th March
1909. In Memorandum No. 1678-1 Educational
dated 16th September 1909, the Director of

Public Instruction has been requested to consider whether the number of Training Schools cannot be further reduced. In these circumstances it does not seem possible to comply with the request of the petitioners and retain the Training School at Cuddalore.

T.K.
15-3-10.

There is at present a "Lower Secondary" Training School at Villupuram and an Elementary Training School at Cuddalore. According to the proposals approved in G.O. No.155 Educational dated 15th March 1909, the Cuddalore School is to be abolished and the Villupuram School is to be organized into a higher Elementary Training School. In deciding upon the schools to be abolished, the Government have proceeded on the principle that the abolition should not involve the abandonment of existing Government buildings. A new building for the Villupuram and Training School has recently been constructed at a heavy cost (Rs. 49,224), while the Cuddalore School was held only in a rented building and the decision to abolish the Cuddalore School and to organize the Villupuram school is ^{invariably at least} apparently due to this reason.
