From (Name) The Hon'ble Mr. A. G. Bourne, D.Sc., F.R.S., C.I.E.,
(Designation) Director of Public Instruction,

To The Secretary to the Government of Madras,

Sir,

Educational Department.

Under the terms of the resolution of the Government of India communicated in G. O. No. 666 Educational., dated 19th September 1908, one scholarship for Sanskrit and one for Arabic are available for award during the current year. In order to secure suitable candidates for the above scholarships, I issued a circular to the Principals of all Government and other First Grade Colleges, the Sub Assistant Inspector of Sanskrit Schools, Chairmen, Boards of Studies in Sanskrit and Arabic, and the Secretary to the Muhammadan Educational Association of Southern India requesting them to suggest the names of one or more candidates who in their opinion were deserving of the scholarships. The officers referred to above are unable to recommend a candidate for the Arabic Scholarship. As for the Sanskrit Scholarship, seven persons have been recommended, of whom I consider R. Sreenivasachari the only suitable

candidate, the remaining six having passed the Second Language Division - Sanskrit - of the B. A. Degree Examination either in the second or third class. R. Sreenivasachari, my nominee, is a graduate, having passed the English Language Division in the II class, Mathematics in the III and Sanskrit in the First Class. He is now 20 years old, and the Principal, St. Joseph's College, Trichinopoly, who recommends him says that he is "talented", that he is free of caste prejudices, that he comes of a family long noted for Sanskrit learning and that he has obtained the consent of his guardian to proceed to Europe, should the scholarship be awarded to him.

2. Under G. O. No. 283 Educational., dated 14th May 1909, candidates selected for the award of Government scholarships tenable in England should be examined by a Medical Board. In pursuance of the above order, I am addressing the Surgeon-General to arrange for the examination of R. Sreenivasachari and shall communicate the result as soon as it is intimated to me. I am also asking the nominee to see me with a view to ascertain in person as much as possible about him, his antecedents, his family and what he expects to do in the future.
