Sir,

With reference to G.O.Nos. 111 and 115, Educational, dated 9th and 12th March 1910 respectively, I have the honour to submit for the orders of Government the enclosed copies of letters Nos. 1405-C and 1440-C dated 11th and 18th March 1910 respectively from the Principal, College of Engineering, Madras. I presume that Mr. Lobban will not now be required to refund the passage money paid to him for his journey to India under any circumstances and that his passage back to England will be paid to him if he claims it at any time before the middle of September. The Principal recommends that in any case Mr. Lobban should be retained in the College till the 30th April next and I agree with him in this view in the interests of

Sir,

With reference to G.O.No. 111, Educational,
dated 9th March 1910 communicated with your No. 7550,
dated 10th March 1910, I have the honour to state that
Mr. Lobban is prepared to accept the terms of the G.O.
referred to above with the provision that ^{he} be not called
on to refund the passge money outward as mentioned in
Clause 4 of his present agreement.

2. I might point out that para 1 of G.O.No.
111, Educational, is not explicit as to the cancelling
of Clause 4 of Mr. Lobban's present agreement and the
proviso therefore seems necessary.

I have the honour to be,

Sir,

In reply to the last para of your Ref. on C.No. 7550 of 1909, dated 14th March 1910, I have the honour to state that I have ascertained from Mr. Lobban that as far as he is concerned para 1 of this office letter No. 1405-C, dated 11th March 1910 still holds good, i-e., he awaits the arrival of the proposed agreement on the conditions that he is paid for the days he carries on the duties of Professor of Civil Engineering at the rate of Rs 600 per mensem, his passage home is provided if he declines to accept the terms proposed and no demand is made for refund of amount received for passage out to India.

✓ It would be greatly to the advantage of the College, now that the sessional examinations are conducted by the staff, that the services of Mr. Lobban should in any case be retained until April 30th, the last day of the term, and as he is prepared to stay on, I recommend that sanction of Government be obtained for that arrangement.

I have the honour to be,

Sir,

Your most obedient servant,

Copy of letter from H.G. Stokes, Esquire, Deputy Secretary to the Government of India, Home Department (Education), to the Secretary to the Government of Madras, Educational Department, dated Calcutta, the 5th March 1910, No.188.-

In continuation of the Home Department telegram No.183, dated the 25th February 1910, and with reference to your letter No.18, dated the 11th January 1910, I am directed to address you regarding the appointment of Mr. Lobban permanently to the Indian Educational Service.

2. In paragraph 6 of your letter of the 11th January 1910 you inquired whether Mr. Lobban might be treated as if he had been permanently appointed to the Indian Educational Service, and whether he might be granted the following concessions -

- (1) Exchange compensation allowance with retrospective effect;
- (2) Rs.600 being arrears of ~~xxx~~ salary at Rs.550 for the second year of his service; and,
- (3) pay at Rs.600-50-750 per mensem from the 1st April next with the prospect of the usual further increase if he is confirmed.

You also asked that Mr. Lobban might be permitted to take outside work of a consulting nature until

his

his services were permanently retained, provided that such work did not interfere with his College duties.

3. The Government of India after carefully considering these proposals came to the conclusion that they could not extend such special treatment to Mr. Lobban without creating an undesirable precedent. They considered moreover that it would have been wrong in principle to alter the terms on which Mr. Lobban had agreed to serve for two years. They however saw no objection to the admission of Mr. Lobban to the Indian Educational Service, and the grant to him of an initial salary of Rs. 600 per mensem with effect from the termination of his present agreement on the 12th March 1910. The Secretary of State has sanctioned these proposals in his telegram of the 23rd February 1910 a copy of which with that from the Government of India to which it is a reply is enclosed for the information of the Government of Madras.

Enclosure.-

Copy of telegram from the Viceroy, Home Department (Education) to the Secretary of State, dated the 14th February 1910, No. 132.--

Your telegram of 1st February. Chatterton also your Public despatch No.3 of 6th March 1908 to Madras, Lobban intends leave India unless given permanent appointment on better terms, Madras wishes to retain him.
