GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following papers :—

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction.

To—the Secretary to Government, Educational Department (through the Accountant-General).

Dated—Madras, the 9th June 1908.

No.—Ref. on Cur. 5228/07.

The Superintendent of the Medical School, Tanjore, brings to notice that there is no separate assistant for working the X ray apparatus, that the work of the school is increasing and that he finds it difficult to continue to do the teaching work he has been obliged to do and requests that the staff may be strengthened by the appointment of an additional assistant. His letter and a statement (copy enclosed) showing the present and proposed distribution of work were forwarded to the Surgeon-General for an expression of his opinion. This officer in supporting the request states that in accordance with the recommendations of the re-organization committee, the Superintendent need do no lecturing work and that the proposed additional appointment is absolutely necessary in the interests of efficient teaching. He also considers that the additional assistant should be of the grade of Assistant Surgeon and that one cannot be spared out of the sanctioned number in the cadre. The Superintendent of the School states that this assistant should be wholly attached to the school and that unlike the other assistants he should not have collateral duties in the hospital. I have the honour, in these circumstances, to request that Government may be pleased to accord sanction for the creation of an additional assistant's post and for its inclusion in the cadre of Assistant Surgeons.

2. There is no provision for the appointment in the current year's budget and the appointment, if sanctioned, can have effect only from 1st March 1909. The necessary proposition statement is submitted in duplicate.

ENCLOSURES.

Letter—from Major E. H. WRIGHT, I.M.S., Superintendent, Medical School, Tanjore.

To—the Director of Public Instruction, Madras.

Dated—the 17th July 1907.

No.—188.

I have the honour to bring to your notice that owing to the increasing work in the Tanjore Medical School and for the want of a separate assistant for working the X ray apparatus, I consider it necessary that a full-timed assistant should be employed whose services may also be utilized both in the school and for working the X ray apparatus. In this connection, I would point out that the Superintendents of the other Provincial Medical Schools do not lecture. It is difficult for the District Medical and Sanitary Officer to attend to the professional work and the administration of the district and the school efficiently unless he is relieved of teaching work and the subjects proportionately distributed among the Lecturers who, I think, are overworked. The duties cannot be expected of them to be efficiently performed unless the work is proportionately distributed. Unless my proposal to appoint a full-timed assistant be given effect to, the work in the school and the hospital must suffer. Under the circumstances, I request you will be

good enough to address the Government for the entertainment of an additional assistant and when your proposal is approved of, arrangements may be made to select a young assistant surgeon who has had at least 3 months' course in X rays in the General Hospital, Madras.

From the Director of Public Instruction, No. 5228/07, dated 9th June 1908.

The Director of Public Instruction requests sanction to the appointment of a full-time fifth instructor in the Tanjore Medical School from the 1st March 1909. He states that the fifth instructor should be of the grade of Assistant Surgeon with a grade pay of Rs. 100 and a teaching allowance of Rs. 30 and that his appointment should be included in the cadre of Assistant Surgeons.

2. The request for the appointment of a fifth instructor is based on the following grounds:—

- (1) The work of the school is increasing.
- (2) There is no separate assistant for working the X ray apparatus.
- (3) The Superintendent should be relieved of his teaching work.

The Surgeon-General supports the proposal and considers that the Superintendent should have no teaching work.

3. The present staff of the Tanjore Medical School consists of one Superintendent and four instructors, and all these have collateral duties in the hospital. The number of hours which each member of the staff devotes to teaching in the school is not given; but they teach the following subjects:—

Superintendent		Surgery and Ophthalmology.
First instructor		Medicine, Lunacy and Physiology.
Second instructor		Midwifery, Elementary Hygiene and Hygiene.
Third instructor		Anatomy and Dissections.
Fourth instructor		Materia Medica and Practical Pharmacy, Chemistry and Medical Jurisprudence.

If a fifth instructor is appointed he will be required to teach Surgery and Ophthalmology (now taught by the Superintendent) and Medical Jurisprudence (now taught by the fourth instructor) and also to work the X ray apparatus.

4. The proposal to relieve the Superintendent of teaching work is in accordance with the recommendation of the Committee appointed to consider the question of improving the training of hospital assistants—*vide* paragraph 3 of the report on pages 8 and 9 of G.O., No. 654, Educational, dated 22nd October 1896. The Superintendents in the Royapuram and Vizagapatam Medical schools have no teaching work except that of giving clinical instruction—*vide* statements on page 8 of G.O., No. 308, Educational, dated 3rd May 1906, and on page 6 of G.O., No. 10, Educational, dated 8th January 1907.

Paragraph 5 of the Surgeon-General's letter No. 91-T/79, dated 30th May 1908.

5. The strength of the three medical schools on the 31st March 1908 was as follows:—

Royapuram Medical school		154
Vizagapatam do.		37
Tanjore do.		38

6. The sanctioned staff of these schools is as follows :—

G.O., No. 753, Educational, dated 21st Nov- ember 1906.	Royapuram	Superintendent	Allowance Rs. 200 ..	Has no teaching work.
		1st instructor	Allowance „ 100 ..	Has hospital duties.
		2nd, 3rd and 4th instructors ..	Allowance „ 50 ..	Do
		5th and 6th instructors ..	Pay and allowance Rs. 130 each.	Have no hospital duties.
G.O., No. 796, Educational, dated 29th November 1907.	Vizagapatam	Superintendent	Allowance Rs. 150 ..	Has no teaching work.
		1st instructor	Allowance „ 100 ..	Has hospital duties.
		Four instructors	Pay and allowance Rs. 130 each.	Two of these have no hospi- tal duties.
		Tanjore	Allowance Rs. 150 ..	Has teaching work.
		1st instructor	Allowance „ 100 ..	Has hospital duties.
		Three instructors	Allowance „ 30 each	Do.

7. It is for consideration whether the proposal of the Director of Public Instruction to employ a whole-time fifth instructor on Rs. 130 per mensem (grade pay Rs. 100 *plus* teaching allowance Rs. 30) may be approved. If the additional instructor is sanctioned the Public Department will have to add one appointment to the cadre of Civil Assistant Surgeons to provide for the instructorship.

K. RANGASWAMI AIYANGAR—7-7-08.

Was there not a proposal recently to make all Tanjore students go to Madras?

C. A. SOUTER—7-7-08.

The file regarding the proposed amalgamation of the Tanjore Medical School with that at Royapuram has now been linked. It was being printed at Madras and was received only last evening.

T.K.—15-7-08.

K.R.—17-7-08.

On a comparison with the Vizagapatam School there is good ground for the increase, but the proposal must lie over until that in the linked file is disposed of.

C.A.S.—17-7-08.

Yes. It is observed that the number of students in Tanjore and Vizagapatam is practically the same, but Tanjore has one instructor less. Five instructors to 38 students seems a large allowance, but they all have hospital duties as well, and the Superintendent is also the District Medical and Sanitary Officer.

H. D. TAYLOR—18-7-08.

Public u.o. with reference to the linked file and *A supra*.

Extract from the notes in the Public Department connected with the file relating to the proposed amalgamation of the Royapuram and Tanjore Medical Schools.

The temporary employment of a fifth instructor while the school lasts may be approved.

W. S. MEYER—25-2-10.

I agree.

The amalgamation of the Royapuram and Tanjore Schools must be postponed for the present and the additional establishment required for Tanjore School in the linked file should be sanctioned. The school has been kept three years waiting for it!
