Sir,

I have the honour to request you will be so good
as to obtain the sanction of Government for the employment, for a
period of one year from the 1st April 1910, of an additional teacher
on Rs. 20/- per mensem in the Government Girls' School, Bhavani.

There are at present four teachers in the school on Rs. 14, 12, 10

present strength of the school which is noted
in the margin. The Inspectress reports that
two more teachers are necessary, one for the
Infant Standard which should be divided into
two sections and the other for the fifth stan-
dard newly opened. I consider, however, that five teachers, i.e.,
one more than the existing number should suffice if the work is

2. The necessary proposition statement is herewith submitted and a reappropriation statement showing how the extra cost may be met during 1910-1911 will be submitted after the issue of the Civil Budget Estimates.

SUBJECT.

Temporary appointment of an additional teacher on Rs. 20 per mensem, in the Govt. Girls' School Bhavani.

The Director of Public Instruction requests the sanction of Government for the employment for a period of one year from the 1st April 1910, of an additional teacher on Rs. 20 per mensem in the Government Girls' School, Bhavani.

2. The Director states that the staff of four teachers, now maintained, is inadequate to manage a school containing five standards with 112 pupils. The Inspectress reports that "two more teachers are necessary", but the Director considers that a single additional teacher would be enough and as the present Headmistress who is drawing a salary of Rs. 14 per mensem, is reported to be incapable of teaching any standard higher than the fourth, he recommends the employment of a qualified mistress on Rs. 20/- per mensem, who should be able to take charge of 4th and 5th standards, as a tentative arrangement for one year.

3. A draft order is placed below for approval. If approved, it may be sent to the Financial

The proposal is to employ an additional teacher on Rs 20 p.m in the Govt. girls' school, Bhavani, tentatively for a period of one year from the 1st April 1910.

2. The A. G. points out that the pay proposed (Rs 20) is not the minimum pay of an assistant in the regular establishment. The D.P. S has proposed Rs 20 on the ground that a qualified mistress is required to teach the 4th and 5th standards, as the present headmistress is reported to be incapable of teaching any standard higher than the 4th. The temporary additional mistress will consequently be the headmistress, and
