To The Secretary to the Government of Madras,

(Through the Accountant-General) Educational Department.

Sir,

I have the honour to request you will be so good as to obtain the sanction of Government for the employment of two teachers one on Rs. 25 and the other on Rs. 10 per mensem in the Government Girls' School, Pollachi, for one year from 1st April 1910.

2. The present strength of the school is 149 distributed

among eight standards as shewn in the margin, and the Inspectress reports that the existing staff of five teachers on Rs. 20, 14, 12, 10, 10 is inadequate for efficient management and strongly

recommends the employment of seven teachers on Rs. 30, 25, 20, 15, 12, 10, 10. She states that the school has been neglected for years owing to the inadequate and poorly qualified staff, that it

is no longer possible to secure the services of qualified teachers on the old scale, and that the strength is likely to increase if the staff is added to and better paid.

In the above circumstances I consider the employment of two additional teachers one on Rs. 25 and the other on Rs. 10 to be necessary, the former for charge of the 6th and 7th standards and the latter for charge of the additional section of the Infant Standard, but I propose that the appointments be temporary for a year at present.

3. I beg to submit herewith the necessary proposition statement and to state that a re-appropriation statement showing how the charge may be met during next year will be submitted on receipt of the ^{final issue of the} Civil Budget Estimates.

Sir,
