I understand from D. Bonno that there have been discovered Embezzlements of school fees in Rayamunry College to the extent of Rs 20,000 or more, & that the Enquiry shows probably very gross Carelessness on part of Mr. Hunter. A few days extension of leave wd. not make a difference, but it may be a question whether Mr. Hunter or whether he recalls before his leave expires to explain. I understand the clerk is under arrest.

I think before leaving this the Secy. R. to write D. to D. Bonno & say that you understand that there has been this defalcation & ask him if he can give us a brief report to show the probable amount embezzled, the method of embezzlement & whether the accused is likely to be tried soon & if Mr. M. Hunter is concerned in the matter. i.e. if the opportunity for the Embezzlement was created by his Carelessness & if he is likely to be held responsible. If this is so it would perhaps be well toapping Mr. Hunter of the facts and ask him to return as soon as possible and explain.

We had some papers about this I think - Lums

My dear Wynch,

In reply to your D.O.No.528-1, dated, 26th ultimo I enclose a note regarding the defalcations at the Rajahmundry Arts College for the information of Government and also the summons issued by the Stationary Submagistrate, Rajahmundry. I presume that you will forward the subpoenas to Mr.Hunter's address. It is obviously necessary that Mr.Hunter should be present at the ensuing enquiry in the Submagistrate's and Sessions Courts.

A note on the defalcations at the Rajahmundry Arts College.

From a copy of the Auditor's report furnished by the Superintendent of Police, Godavari, it appears that a sum of Rs.10,910-9-10 was misappropriated during the period ~~commencing~~ from 19th March 1906 to 25th October 1909. A.Somanna was the clerk of the college throughout the period.

2. The greater portion of the amount reported to have been embezzled was from fees. The necessary registers were obviously not maintained properly. The most important account- the cash book- was not maintained at all. In its place a book designated "Day book" was kept and it was found to be incomplete, and several instances in which the fees paid by students and entered in the term register were not noted in this book. The names of several students shown in the attendance register as having attended the college were entirely omitted in the fee register or, having been entered, the fees due from them were not noted against them. The fee collections were not remitted in full into the Treasury and the unremitted amount represented the major portion of the amount embezzled. No receipts seem to have been granted to students for fees paid by them.

3. It is reported that the clerk, A.Somanna, will be tried in the Stationary Submagistrate's Court, Rajahmundry, on the 6th June 1910 for misappropriation of college funds and falsification of accounts under sections 409 and 477(a) of the I.P.C.

4. The defalcations seem to have been made possible by the failure on the part of the Principal, Mr.Hunter, to scrutinize the fee and other receipts, and contingent expenditure, from time to time as required by the rules and the laxity of supervision exercised by him over the college accounts. >
