G.O., No. 659, Educational, dated 22nd December 1909.

ABSTRACT.—Recording, with remarks, the report on the audit of the accounts of the Lawrence Asylum, Ootacamund, for 1908-1909.

II

Letter—from the Rev. W. H. G. PADFIELD, M.A., Principal and Secretary, Lawrence Asylum, Ootacamund.

To—the Secretary to Government, Educational Department (through the Director of Public Instruction).

Dated—Lovedale, the 22nd March 1910.

No.—C. 4403.

I am directed by the Committee to acknowledge receipt of G.O., No. 659, Educational, dated 22nd December 1909, and to make the following report :—

1. *Paragraph 6 of Audit Report.*—The system suggested by the auditor has been introduced with effect from September last and is so far satisfactory. In the next contract the clothing contractor will be required to find her own cotton, tape, etc.

2. *Paragraph 8 of Audit Report.*—The alteration of the form of the provision register of the boys' school, as suggested by the auditor, so as to show the amounts of each kind of provisions expended and the amounts paid for in each month, has been made from and including December last.

3. *Paragraph 9 of Audit Report.*—From the correspondence ending with G.O., No. 502, Educational, dated 19th August 1899, it appears that non-boarders were always allowed compensation for firewood at the rate of Rs. 4 per mensem. So far as can be traced in this office, this compensation had been granted to members of the staff since the foundation of the school. In June 1893, the Committee resolved to discontinue compensation allowance for fuel for the staff, and to give firewood free from the large plantations on the school's grounds, instead. A note to this effect was made in the budget estimate dealt with in G.O., No. 283, Educational, dated 24th April 1894, and the establishment of wood-cutters required in consequence was duly passed by Government. The cost of giving compensation at Rs. 4 per mensem to non-boarders would be 21×4 , i.e., Rs. 84 per mensem. The cost of supplying firewood free is approximately that of the three wood-cutting coolies employed at Rs. 8 per mensem, or Rs. 24 per mensem. The Committee is of opinion that the free supply of firewood to the present staff cannot be discontinued without a breach of the agreement on which they were engaged, the staff having for the most part been definitely appointed on a certain salary, "together with free quarters and firewood". It also considers that it would be difficult for members of the staff to arrange for their own firewood; the cartage from Ootacamund alone would be a great expense while the cost to the school is only a few annas per head per mensem. There is ample wood on the school's estate, and for the last two years, at any rate, far more trees have been planted than have been cut down. Any change in the existing system would also disturb the balance of salaries sanctioned for boarders and non-boarders. The Committee finds the greatest difficulty already in getting qualified teachers on the present salaries—a difficulty which has had to be met for the present by making three temporary appointments—and is of opinion that anything tending to make the position of members of the staff less attractive is to be deprecated. The Committee therefore trust that Government will be pleased to confirm the resolution of the Committee, dated June 1893, and thus sanction the continuance of the present arrangement.

4. *Paragraph 11 of Audit Report.*—The amount realised from hawkers' licenses is spent in giving the children a Christmas Tree. It will in future be brought on to the accounts of the asylum and expended as usual.
