The Secretary to Government,
Educational Department,

The humble petition of S. Ramachandra Iyer:

The petitioner applied for the examination for the
Engineers' Diploma held in December 1908, and failed
to secure the prescribed minimum number of marks.

In February, 1909, the petitioner submitted a
memorial to Government in which he represented the
hardships entailed by the Order of Government refusing
him any further chance of appearing for the examination
and prayed that he might be granted at least an
Engineer Subordinate's Diploma in consideration of the
long training which he had had in the Engineer class.
To the petitioner's misfortune, the Government
rejected the memorial and declined to grant any
concessions. The petitioner understands that.

To The Secretary to the Government of Madras,
Educational Department.

Sir,

I have the honour to submit herewith copy of a petition from P. S. Srinivasa Aiyar, an Ex-Student of the Engineer Class, College of Engineering, who failed in the final Examination held in December 1908, together with a copy of a letter from the Principal, No. 1495 C., dated 29th March 1910, and to request that, as the orders passed in G. O. No. 143 Educational., dated 19th March 1910 are restricted to the students of the College who failed in December 1909, Government may be pleased to extend to the petitioner the concession granted in the above G. O.

I have the honour to be,

Sir,

Your most obedient servant,

G. Krishnamoorti
for Director of Public Instruction.

M. S. S.

that on the representation of the students who failed in the examination held in December 1909, Government have been pleased to allow them to appear for the Upper subordinate Examination, and also another chance of securing the Engineers' Certificate by attending College for a year.

The petitioner most respectfully prays that the same concessions may be extended to him.

To

The Principal,

College of Engineering, Madras.

Sir,

I beg to inform you that I was the only student from the College who failed in the final examinations held for Engineers in December 1908. According to the then G. O., I was not given any other chance. Now I understand that the students who failed last year are given some concession. I request you to kindly extend that concession to me also. I had written about this a month ago to the then Principal Mr. F. E. Morgan. In the event of your granting that concession to me, I propose to take the latter alternative (i.e.) to study in the College along with E 1 of 1910 (Civil) and to appear for the examination held for them. Hoping that you will be pleased to grant that concession and hoping that you will be pleased to favour me with an early reply to that effect.

I am &c.,

Memorials from the failed candidates of the
Engineer Class of the College of Engineering.

Pages 1 to 2 of C.F.

The first of the letters read above is a petition from S. Ramachandra Aiyar, an ex-student of the Engineer class of the College of Engineering, Madras, who failed in the final examination held in December 1908, praying that the concession shown in G.O.No.143, Edl., dated 19th March 1910 to the students who failed in the examination held in December 1909 may be extended to him.

Pages 3 to 5 of C.F.

2. The second current is a letter from the D.P.I. forwarding a copy of a petition from P.S. Srinivasa Aiyar, another ex-student of the Engineer class of the College who, like Ramachandra Aiyar, failed in the examination held in December 1908, praying for the same concession. The Principal, College of Engineering (Mr. James), through whom Srinivasa Aiyar submits his petition states that his (Srinivasa Aiyar's) case is on all fours with that of the failed students of December 1909 referred to in G.O.No.143, Edl., dated 19th March 1910. The D.P.I. recommends that the concession granted in G.O.No.143, Edl., dated 19th March 1910, may be extended to P.S. Srinivasa Aiyar also.

Sone 240 Edl. dy 26.4.09.

3. S. Ramachandra Aiyar and P.S. Srinivasa Aiyar had already submitted petitions to Government requesting that as they had obtained

one-third of the marks assigned for each subject and failed only to obtain 50 per cent. of the marks awarded by the Board of Examiners, they might be declared to have passed the Engineer subordinate examination. Their request was

A refused in G.O.No.240, Edl., dated 26th April 1909. The present request is that they may be permitted, at their option, either to sit at the next Upper subordinate examination and qualify themselves as Upper Subordinate Engineers, or to join the third year Engineer class in July 1910 and to appear for the Engineer examination to be held in April 1911. The Principal of the Engineering College and the D.P.I. consider that the prayer may be granted.

4. It is for consideration whether the Director's recommendation may be accepted. There appears to be no objection to the grant of the concession prayed for by the petitioners. Their case is similar to that disposed of in G.O.No.

C 143, Edl., dated 19th March 1910.

PP
27-4-10

C Go. No. 143 Edl., dated 19th March 1910 dealt with the Case of those Students of the Engineer class of the College of Engineering who had entered ~~into~~ the College under the rules which were in force prior to 1st April 1907, but who had failed to pass at the final examination held in December 1909. The Government permitted these Students, at their option,

cf. G.O. No. 143 Edl.
19-3-10

to sit at the Upper Subordinate examination held in April 1910 in certain specified subjects and qualify themselves as Upper Subordinate Engineers or to join the Third Year Engineer class in July 1910 and to appear for the Engineer examination to be held in April 1911. The two petitioners, who likewise joined the College of Engineering under the old rules and who failed at the final examination held in December 1908, now request that they may be granted ~~the~~ a concession similar to that allowed in G.O. No. 143 Est. dt 19th March 1910 to the students of the Engineer class who failed at the final examination held in December 1909. The request of the petitioners may, it is submitted, be granted, but as the Upper Subordinate examination of April 1910 referred to in G.O. No. 143 Est. dated 19th March 1910 is already over, the concession to be granted to them should be either to join the third year Engineer class in July 1910 and appear for the Engineer examination to be held in April 1911 or to appear for the Upper Subordinate examination to be held in April 1911 in the subjects specified and on the terms mentioned in Mr. Morgan's endorsement on

on page 3 of G.O. No. 143 Sd. by Eq. 3.10.

27. 4. 10

I submit that the concession which
may be granted. The previous applications
by these petitioners were for the grant of a
diploma on the strength of the narrow margin
by which they had failed. Now they ask
to be allowed to continue their cause, and
take their chance. It is rather a gamble for
their part, but I submit that there is
no objection on the part of Govt. to granting the
2nd of the alternative concessions mentioned
in G.O. 143 Sd. (C)
