G.O., No. 666, Educational, dated 19th September 1908.

ABSTRACT.—Directing the republication in the *Fort St. George Gazette* of the resolution of the Government of India with regard to the allotment of scholarships tenable in Europe for the study of Sanskrit and Arabic and requesting the Director of Public Instruction to report for the current year the names of two duly qualified candidates before the 10th October next.

Letter—from the Hon'ble Sir HAROLD STUART, K.C.V.O., C.S.I., Secretary to the Government of India, Home Department (Education).
To—the Secretary to the Government of Madras, Educational Department.
Dated—Simla, the 21st April 1910.
No.—350.

A case has recently occurred in which an Indian student who was awarded a State scholarship for the study of Sanskrit in Europe applied to the Secretary of State for permission to study law concurrently with Sanskrit. The Secretary of State declined to accede to the request as he considered that the student should devote his whole attention to the studies for which his scholarship was awarded. The Government of India entirely agree with the view taken by His Lordship, and I am to request that, in order to obviate any misapprehension on the subject in future, students who are awarded scholarships for the study of Sanskrit or Arabic under the terms of the Home Department resolution No. 731-743, dated the 1st September 1908, should be required to give a written undertaking that they will devote themselves exclusively, during the tenure of their scholarship, to the study of the subject for which their scholarship has been granted. They should be warned that, should they endeavour to study law or any other subject which is not cognate with their proper studies, they will be liable to forfeit their scholarship.

Order—No. 243, Educational, dated 7th May 1910.

The Government of India have ruled that students who are awarded scholarships for the study of Sanskrit or Arabic under the terms of the Home Department resolution No. 731-743, Education, dated 1st September 1908, should be required to give a written undertaking that they will devote themselves exclusively, during the tenure of their scholarship, to the study of the subject for which the scholarship has been granted. They also desire that such students should be warned that, should they endeavour to study law or any other subject not connected with their proper studies, they will be liable to forfeit their scholarship.

2. The Director of Public Instruction will be requested to inform candidates applying for the scholarship of this condition.
