NOTES CONNECTED WITH G.O., No. 251, EDUCATIONAL,
DATED 10TH MAY 1910.

[SUBJECT.—*Eligibility for entry into Government service of candidates holding Matriculation concession certificates.*]

From D. Subrahmanyam, dated 14th March 1910.

The applicant Dasiga Subrahmanyam enquires whether, as a holder of the Matriculation certificate which, as was recently decided by the Senate, will be issued to the candidates of the last Matriculation examination who were included in the concession list, lately issued by the Senate, he will be eligible for entrance into the Government service.

2. The question whether candidates of the description mentioned by the petitioner should be held to be eligible for public service has been separately raised in another connection. This may await the decision in that file.

Submitted that the issue of orders on the file referred to in paragraph 2 *supra* may be awaited.

K. RANGASWAMI AIYANGAR—14-4-10.

Yes.

S. H. SLATER—23-4-10.

Please see G.O., No. 206, Educational, dated 15th April 1910, sanctioning the transitory regulation declaring certain candidates who appeared for the Matriculation examination of 1909 to have passed the examination. In paragraph 5 of the office-note, dated 21st March 1910, in the notes connected with that Government Order, the question was raised whether the candidates thus declared to have passed the Matriculation examination might be considered to be eligible for public service. It was observed that it would be impolitic to make any distinction between the two classes of Matriculates as regards admission to public service. No orders have been passed on this point.

2. It is for consideration whether the candidates who come within the purview of the transitory regulation sanctioned in G.O., No. 206, Educational, dated 15th April 1910, may be considered to be eligible for the public service as ordinary Matriculates.

P.R.—27-4-10.

Inasmuch as the University has decided to issue to these candidates certificates of having passed the Matriculation examination in the same manner as certificates are given to other candidates who actually got the full marks required for a pass, it seems doubtful whether the Government would be well advised in drawing

distinction between these two classes of matriculates as regards admission to the public service. The concession was apparently intended by the Senate mainly to enable

Cf. paragraph 3 of University Registrar's letter in G.O., No. 206, Educational, 15th April 1910.

K. RANGASWAMI AIYANGAR—27-4-10.

I submit that the point was settled by implication, at any rate, in G.O., No. 206 (*vide* notes). The notes show that it was understood that the "Transitory Regulation" would admit its beneficiaries to the public service, though the point was very reluctantly conceded by Government.

S. H. SLATER—27-4-10.

I submit that, so far as eligibility for admission to the public service is concerned, no distinction can well be made between matriculates who really passed the examination and those who obtained certificates by grace of the Senate. It could only be effected by publication of a "black list", which would be overlooked or forgotten probably in upcountry offices and in any case these spurious matriculates will not be any worse than the Leaving school certificate-holders who will all be eligible for the public service next year.

L. M. WYNCH—28-4-10.

Yes, I agree. These men must be held for the purposes of the Public Service notification to have passed the Matriculation examination.
