To The Secretary to the Government of Madras,

Educational Department.

Sir,

Referring to articles 1 and 2 of the Public
Service Notification, I have the honour to address
the Government regarding the exemption from the
examination rules of the taxidermists employed
in the Government Museum.

2. The present staff consists of a Senior
Taxidermist on Rs 30- $\frac{1}{2}$ -35 and a second
Taxidermist on Rs 20- $\frac{1}{2}$ -25. The former post
has been vacant since the death of the last

incumbent which took place in November 1908. This man had not passed any examinations, but the Public Service Notification did not affect his case as he had been appointed to the post before the Notification came into force on the 1st of July 1894. The present second taxidermist is also without the prescribed educational qualifications, but he was exempted from the rules by G.O. No. 252 Educational dated 7th May 1901. This man has been granted privilege leave for 3 months on the ground of ill-health and it is probable that his leave will have to be extended. The first taxidermist's post being vacant and the second taxidermist being absent on leave, I have been on the look out for men to take their places, but I regret to state that I have not been able to find any passed candidates possessing the necessary qualifications. I may further add that it is very unlikely that such men will become available in the near future. In these circumstances I have the honour to request that the Government will be pleased to exclude the two taxidermists' posts in the Museum from the operation of the examination rules and add them to the appointments specified in Column B of the table referred to in article 2 of the Public Service Notification.

I have the honour to be,

Sir,

Your most obedient servant,

J. R. Henderson.

Govt. Museum

The Ag. Superintendent, Govt. Museum (Mr. Henderson) requests that the posts of the Senior and Second taxidermists of the Govt. 2. Art. 1 of the Public Service Notification lays down that subject to the provisions of Arts 2 and 4^② no person shall be eligible, on or after the 1st April 1911, for appointment to any post in the superior service the sanctioned pay of which exceeds Rs 20 per mensem (the maximum pay being taken as the standard in the case of appointments on progressive scale as required by note 3 supra.) unless he is a graduate or he has obtained a completed Secondary School Leaving Certificate or he has passed the matriculation examination of the Madras University prior to 1910 or the Madras Upper Secondary examination or any other examination specified therein. The pay of the Senior taxidermist being Rs 30-½-35 and that of the 2nd taxidermist Rs 20-½-25 their appointments are ^{now} governed by Art. 1 of the Public Service Notification quoted above.

3. The S. G. M. now represents that the first taxidermist's post being vacant and the second taxidermist being absent on

on leave he has been on the look out for men to take their places but that he has not been able to find any passed Candidates possessing the necessary qualifications. He adds that it is very unlikely that such men will become available in the near future.

4. In view of the facts that the pay of the posts is not such as to attract passed Candidates and that the nature of the appointments is special, it is for consideration whether the S. G. M's proposal to include the two appointments in Col. B of the table

B. appended to Art. 2 of the Public Service Notification may be approved.

$\frac{PR}{10.5.10}$
The proposal of the S.G.M. may perhaps be approved.

$\frac{RO}{10.5.10}$
A taxidermist's work is very specialised, and I submit it is hardly necessary to require him to pass the general examinations required for public service
