Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 5th May 1910.

No.—Ref. on Cur. 2663.

I have the honour to bring to the notice of Government that in the old rules of the College of Engineering, paragraph 73 provided for the award of prizes consisting of instruments or books to all the classes in the college for special proficiency in particular subjects, and that in drafting the new rules separate provision for the award of prizes was made by Colonel H. D. Love in paragraphs 53 and 58 only for the Engineer and Upper Subordinate classes, respectively, but that the point was overlooked in the case of the Lower Subordinate class. I now request that sanction may be accorded to the following addition to rule 61 of the existing rules :—

“Prizes will be given to students who display proficiency in special subjects.”

2. I beg to submit herewith the necessary draft notification for the approval of Government and favour of publication in the *Fort St. George Gazette*.

NOTES CONNECTED WITH G.O., No. 269, EDUCATIONAL,
DATED 19TH MAY 1910.

[SUBJECT.—*An alteration in the College of Engineering Rules.*]

G.O., No. 37, Educational, dated 20th January 1906.
" " 159 " " 20th March 1907.

From the Director of Public Instruction, dated 5th May 1910, No. 2663.

The Director of Public Instruction requests that sanction may be accorded to the following addition to Rule 61 of the College of Engineering Rules, viz. :—

" Prizes will be given to students who display proficiency in special subjects."

2. Rule 73 of the Rules of the College of Engineering, which were in force Page 12 of G.O., No. 37, Educational, dated 20th January 1906. previous to 1st April 1907, provided for the award of prizes consisting of instruments or books in all the classes of the

College of Engineering for special proficiency in particular subjects. This rule was general and applied to all the classes in the college, namely, the Engineer class, the Engineer Subordinate class, the Sub-Overseer and Surveyor class and the Draftsman's class. In the draft of the revised rules which was submitted for approval in 1907, separate provision was made in the rules for the award of prizes for each class. Draft Rules 53 and 58 (Rules 54 and 59 of the rules approved in G.O., No. 159, Educational, dated 20th March 1907) provided for the award of prizes for the Engineer and Upper Subordinate classes, respectively, but in the case of the Lower Subordinate class, no such separate provision for the award of prizes was made in Rule 61 (62 in the rules approved in G.O., No. 159, Educational, dated 20th March 1907) relating to that class.

3. The Director of Public Instruction points out that the omission is due to an oversight and proposes that Rule 61 should be amended so as to supply this omission. The proposal may, it is submitted, be approved.

4. The draft below is for approval.
