G.O., No. 380, Educational, dated 7th December 1870.

ABSTRACT.—Accepting the proposal of the inhabitants of Mangalore to found a scholarship in the Provincial School at that station in honour of Mr. H. S. Thomas, Collector of South Canara.

II

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 27th April 1910.

No.—R.C. 1503.

Clause 4 of the rules for the award of the H. S. Thomas scholarship attached to the Government College, Mangalore, approved in G.O., No. 380, Educational, dated 7th December 1870, provides that the scholarship shall be tenable for two years. The period of tenure was fixed at 2 years so as to allow the scholar to prepare for the First Examination in Arts. The scholarship has fallen vacant from the beginning of this year; and as according to the new University Regulations a student who has passed the last Matriculation Examination can appear for the Intermediate Examination only in April 1912 and has therefore to study for two years and three months in the Intermediate classes, I have the honour to request the sanction of Government under clause 7 of the rules to permit the scholarship, which will be awarded this year, to be tenable for two years and three months.

Order—No. 270, Educational, dated 19th May 1910.

As the terms of a trust which have been definitely settled cannot be altered except by an order of a court or in accordance with the provisions of sections 5 and 6 of the Charitable Endowments Act VI of 1890, the Government are unable to sanction the proposal of the Director of Public Instruction to permit the "H. S. Thomas Scholarship," which will be awarded this year, to be held for two years and three months.

2. The terms of the scholarship do not appear to be suited to the changed conditions of the University course and seem therefore to require alteration. The Director of Public Instruction will accordingly be requested to take early steps to have the scholarship fund vested in the Treasurer of Charitable Endowments and to have a revised scheme settled for its management.

From the Director of Public Instruction, dated 27th April 1910,
No. 1503.

The "H. S. Thomas" scholarship was founded in the year 1870 by the inhabitants of Mangalore in honour of Mr. H. S. Thomas, Collector of South Canara. The fund raised for the scholarship amounting to Rs. 1,732-4-6 was accepted by Government and a set of rules for the award of the scholarship was approved in G.O., No. 380, Educational, dated 7th December 1870.

2. The scholarship is awarded by the Director of Public Instruction to the student of the Mangalore College who stands highest at the Matriculation examination of the University of Madras, provided he has been two years at least in the Mangalore College and bears a good character. It is tenable for two years to enable the holder to prepare for the First Examination in Arts. The present value of the scholarship is not known.

3. The Director of Public Instruction states that the scholarship has fallen vacant from the beginning of this year and as according to the new University Regulations a student who has passed the last Matriculation examination can appear for the Intermediate examination only in April 1912 and has therefore to study for two years and three months in the Intermediate classes, the Director of Public Instruction requests the sanction of Government under clause 7 of the rules approved in G.O., No. 380, Educational, dated 7th December 1870, to permit the scholarship to be awarded this year to be tenable for two years and three months.

4. It is for consideration whether the proposal of the Director of Public Instruction may be approved. It does not appear to be necessary that the rules for the award of the scholarship should be deviated from in this particular case. But even if the deviation is considered necessary, the conditions of a charitable trust once definitely settled cannot, according to the opinion of the Advocate-General given in the case of Muhi-ud-din Sheriff Memorial Prize on page 2 of G.O., No. 148, Educational, dated 13th March 1902, be altered except by the order of the Court or

under the provisions of the Charitable Endowments Act and this opinion of the Advocate-General has been followed in all subsequent cases *cf.* Ramnad Rani scholarship (1), Princess Alice scholarship (2), Francis Cotton Walker scholarship (3), the Prince of Wales Sanskrit scholarship (4).

5. The rules for the award of the scholarship approved in G.O., No. 380, Educational, dated 7th December 1870, seem to require alteration. The Mangalore Provincial school has become the Mangalore College; the First Examination in Arts has been abolished; the exact amount of the scholarship fund at this moment and the present value of the scholarship are not known. In these circumstances, it is for consideration whether the Director of Public Instruction may be asked to take steps to vest the scholarship fund in the Treasurer of Charitable Endowments and to settle a scheme for its management, as has been done in all the cases quoted in the preceding paragraph.

T.K.—9-5-10.

Clause VII of the rules relating to the "H. S. Thomas" scholarship, approved in G.O., No. 380, Educational, dated 7th December 1870, empowers the Local Government to alter the rules. But, under sections 5 and 6 of the Charitable Endowments Act, 1890, a scheme for the administration of a trust can be altered only on the application of the person or persons acting in the administration of a trust, in respect of an endowment which has been or is to be vested in the Treasurer of Charitable

Endowments. The Director of Public Instruction may be asked to take steps to A | vest the endowment in the Treasurer of Charitable Endowments and then to submit a revised scheme, for the approval of Government.

K. RANGASWAMI AIYANGAR—10-5-10.

The terms of the scholarship do not, I submit, appear to be suited to the changed conditions of the University course, and require alteration. The course suggested at A may be adopted.

S. H. SLATER—12-5-10.

I agree. The terms of the scholarship require alteration in any case as the Matriculation examination has been abolished so far as schools in the Presidency are concerned.

P.S.
