GOVERNMENT OF MADRAS.
EDUCATIONAL DEPARTMENT.

READ—the following paper :—

Letter—from the Rev. G. PITTENDRIGH, Honorary Secretary, Missionary Council on Aided Education.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 27th April 1910.

I have the honour to forward the following resolution passed at a meeting of the Missionary Council on Aided Education held on the 23rd instant. Will you be so good as to place the resolution before the Government?—

“The Council took into consideration the statement made by the Hon’ble Mr. Hammick at the meeting of the Legislative Council held on 6th April regarding the contemplated enhancement of the standard rate of fees leviable in secondary schools and colleges, and resolved as follows :

“The Council considers that the questions raised by the proposed enhancement are so serious that time should be allowed for consideration of all the issues involved. Among the questions that seem to the Council to be worthy of consideration are the following :

“(1) Is it likely that the proposed enhancement will, for some years at least, lead to the expected increase of income?

“(2) If the general principle of the grouping of classes be accepted, are not the steps by which the rise is effected, more especially that from the third form to the fourth form, too great?

“(3) If the proposed rates for the infant and preparatory classes be accepted, will not the competition of elementary schools make it difficult to carry on such classes as integral parts of secondary schools?

“In view of such questions the Council is taking immediate steps to ascertain more definitely the views of the Missions which it represents. It accordingly hopes that Government will be graciously pleased to postpone the passing of orders until the Council has time to make a more specific representation.

“The Council would also respectfully urge that any enhancement that may ultimately be decided on may not be introduced earlier than the beginning of the next academic year (July 1911), and that at least six months’ notice of any alteration in the rates be given.”

Order—No. 276, Educational, dated 23rd May 1910.

The Honorary Secretary to the Missionary Council on Aided Education will be referred to G.O., No. 271, Educational, dated 21st May 1910, passing orders on the question of enhancing the rate of school fees in secondary schools and he will be informed that the increase in the rates of fees which is to come into effect immediately is so small that the Government hope that it will not have any prejudicial effect on secondary education, and that the experience of the next two years will enable Government to decide whether, in July 1912, the further increase of 50 per cent. shall be made.
