“Your Judicial Secretary’s letter No. 1955, dated 10th June last, and No. 3223, dated 15th January 1909. Dodwell. Further we request that some one may be engaged temporarily, with qualifications same as [those] specified for Professor of English till 31st December 1911 by which time it is possible that a vacancy, permanent, may have arisen in Indian Educational Service.”

Please see the notes with G.O., No. 497, Educational, dated 27th August 1909, which gives a brief account of the correspondence which preceded Mr. Dodwell's appointment to act in the Indian Educational Service.

2. Mr. Dodwell was first appointed to act for Mr. Allen, Professor of History in the Presidency College, when the latter proceeded on leave. On the termination of this acting appointment on 23rd December 1909, Mr. Dodwell was appointed to act as Vice-Principal of the Teachers' College, Saidapet, in the arrangements made for filling up the vacancy consequent on the transfer of Mr. Mayhew to the service of His Highness the Nizam's Government. Mr. Dodwell is holding this appointment still and it is likely to last till the return of Mr. Mayhew from foreign service at the end of 1911.

3. Mr. Dodwell was in the first instance engaged by the Secretary of State for eight months—*vide* the preamble to the agreement printed on page 5 of G.O., No. 497, Educational, dated 27th August 1909. This period was fixed with reference to paragraph 3 of the Educational despatch No. 5, dated 10th August 1908, in which the Secretary of State was requested to select a suitable person to act for Mr. Allen for a period of eight months, but from the letter, dated 15th January 1909, of the Judicial Secretary, India Office, it will be seen that the Secretary of State foresaw no difficulty in finding a suitable post for Mr. Dodwell on the termination of this period, should he give satisfaction in the acting vacancy.

4. The Accountant-General states that Mr. Dodwells' agreement with the Secretary of State expired on the 4th March 1910 and that the sanction of the Secretary of State should be obtained to Mr. Dodwell's continuance in service beyond the 5th March 1910. As Mr. Dodwell holds no permanent appointment under Government, the sanction of the Secretary of State to his continuing to act in the Indian Educational Service appears to be necessary.

5. The file may, it is submitted, be sent u.o. to the Director of Public Instruction for remarks as to whether he considers the retention of Mr. Dodwell desirable and whether there is any likelihood of a permanent vacancy occurring in the near future

Yes.

in which Mr. Dodwell may be confirmed in the Indian Educational Service. The Director of Public Instruction may also

be requested to furnish a copy of his note No. 8, dated 29th March 1910, referred to in his endorsement on page 2 of current file, which is not traceable in this office.

DIRECTOR OF PUBLIC INSTRUCTION.

I have obtained and now enclose a copy of my note No. 8, dated 29th March 1910. This furnishes answers to the above questions and makes my endorsement on the current intelligible.

"Note No. 8, dated 29th March 1910.—The appointment of Mr. H. Dodwell as acting Vice-Principal, Teachers' College, Saidapet, will have to cease on the return of Mr. Mark Hunter from leave in September next, but in view of the instructions of the Government of India conveyed in G.O., No. 513, Educational, dated 7th September 1909, it would be well to retain Mr. Dodwell's services permanently. His work has proved quite satisfactory and if Government concur in this view it is requested that the Secretary of State may be asked not to send out an officer from England to fill the new post of Professor of English in the Presidency College.

"There is further a temporary vacancy in the Indian Educational Service caused by the deputation of Mr. A. Mayhew to Foreign service, and it is suggested that enquiries be made as to the feasibility of securing an officer already in the country holding a temporary appointment in the Indian Educational Service who could act in Madras until Mr. Mayhew's reversion. If this be done the enquiries need not stipulate for any special qualifications. If an officer is available and we know his qualifications it may be seen whether it will be possible to fit him in by transferring some other officer if necessary. His services could be utilized at once or from any date in the near future."

A. G. BOURNE—21-5-10.

The Director of Public Instruction states that the work of Mr. Dodwell has proved satisfactory, that it would be well to retain his services permanently and that if the Government concur with him, the Secretary of State may be requested not to send out an officer from England to fill the new post of Professor of English in the Presidency College.

2. In paragraph 6 of letter No. 148, Educational, dated 13th March 1909, submitting proposals for strengthening the teaching staff of the Government first grade colleges in this Presidency, sanction was requested to the appointment of six additional Professors in the Presidency College, four to be recruited in the Indian

Educational Service and two in the Provincial Educational Service. The four officers to be recruited in the Indian Educational Service were for the professorships of English, History, Chemistry and Geology. In his despatch No. 124, Public, dated 3rd September 1909, the Secretary of State sanctioned these proposals and stated that he would take steps to recruit the four officers for the Indian Educational Service in England. Two of the four Professors—one for Chemistry (Mr. Simonson) and the other for History (Mr. Green)—have already come out and the selection of an officer for the post of Professor of Geology has practically been made. The only other appointment which has yet to be made is that of the

Professor of English. It is for consideration whether the Secretary of State may be asked by telegram not to send out a Professor of English from England for the Presidency College and to confer that appointment on Mr. Dodwell.

3. The Director of Public Instruction further states that there is a temporary vacancy in the Indian Educational Service caused by the transfer of Mr. Mayhew to foreign service and suggests that enquiries may be made as to the feasibility of securing an officer already holding a temporary appointment in the Indian Educational Service (in some other province?) who could act in Madras until Mr. Mayhew's reversion. It is for consideration whether the Government of India may be addressed on the subject.

T.K.—21-5-10.

K. RANGASWAMI AIYANGAR—21-5-10.

Submitted with file which relates to the appointment of a Curator of Records, for which post the Director of Public Instruction thought Mr. Dodwell would do very well—

(i) The Director of Public Instruction now proposes to retain Mr. Dodwell permanently and

(ii) also to fill Mr. Mayhew's temporary vacancy by getting a temporary Indian Educational officer for another province.

For (i) the Secretary of State has to be addressed;

For (ii) the Government of India.

S. H. SLATER—23-5-10.

Mr. Dodwell's engagement with the Secretary of State terminated on 4th March 1910, and the Accountant-General now points out that his retention in the Indian Educational Service requires the sanction of the Secretary of State.

Mr. Dodwell was originally entertained to act for Mr. Allen. On Allen's return to duty on 23rd December last, Dodwell was retained in the arrangement consequent upon Mayhew's transfer to Secunderabad (23rd December 1909). Under subsequent arrangements this acting appointment became involved in the chain of appointments made in connection with Mark Hunter's absence on leave. Hence the remark made in the Director of Public Instruction's note of 29th March that he would be ousted on Hunter's return to duty in September. Hunter has been recalled to duty in connection with the Rajahmundry frauds but Dodwell's acting appointment remains unaffected as Yates has taken six months' leave and Dodwell is now acting in that arrangement.

In his note of 29th March which miscarried somehow and was not received in this office, the Director of Public Instruction suggests that Dodwell should be given the Professorship of English in the Presidency College. In his despatch of 3rd September 1909 the Secretary of State

Page 3 of G.O., No. 590, dated 30th October 1909.

sanctioned the addition of four officers to the Indian Educational service and Green and Simonson. promised to recruit the four officers required. Two have already been sent out—the History and Chemistry Professors, and correspondence has recently taken place regarding the selection of the third, the Geology Professor, from the staff of the Geological Survey of India, the fourth, viz., the Professor of English remains to be appointed and the Director of Public Instruction suggests that Dodwell would do very well for this post and that a telegram might be sent to the Secretary of State recommending his appointment.

In sanctioning Dodwell's engagement for eight months the Secretary of State Despatch, dated 15th January 1909. contemplated his eventual appointment Page 1 of G.O., No. 159, Routine, dated 26th April 1909. to permanent vacancy should his work prove satisfactory.

The Director of Public Instruction suggests further that enquiries should be made for an officer already in the country holding a temporary appointment in the Indian Educational Service who could act in Madras until Mayhew's reversion in December 1911.

I submit that the simplest plan would be to ask the Secretary of State to sanction Dodwell's appointment to the remaining permanent post in the Indian Educational Service sanctioned in his despatch of last September and to send out the recruit, whom he undertook to find for this post, under a temporary agreement terminating at end of December 1911, to take Mayhew's place.

The qualification specified for the Professor of English, viz., that he should be a capable lecturer in English language and literature and also be suitable as a Principal or Inspector are, I am informed by the Director of Public Instruction with whom I have discussed the matter personally, precisely the qualifications required for the man who is wanted to take Mayhew's place.

It has also been suggested in another connection that Dodwell would do very well for the proposed new appointment as curator of records. It has been proposed to ask the Government of India to sanction such an appointment temporarily for two years and the selection of a man from the Educational service for the post.

If and when this scheme is carried into effect, enquiries might be made, as suggested by the Director of Public Instruction, for a man holding a temporary appointment in the Indian Educational Service in other part of India who might be appointed to act for Dodwell.

To sum up my suggestions are—

- (1) That the Secretary of State be asked by telegram to sanction—
 - (a) Dodwell's retention in service subsequent to 4th March 1910.
 - (b) Dodwell's appointment to the Indian Educational Service permanently with effect from 5th March 1910.
 - (c) To send out the recruit for whom he has been looking to fill the Professorship of English under a temporary agreement terminable at the end of December 1911 by which time it is possible that another permanent vacancy may have arisen.

The Director of Public Instruction concurs in the above suggestions.

L. M. WYNCH—26-5-10.

Yes, I agree. We had better be quick or as likely as not the Secretary of State will have appointed a man permanently for the new English Professorship.
