GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper:—

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Educational Department (through the Accountant-General).

Dated—Madras, the 18th April 1910.

No.—Ref. on Cur. 1385.

I have the honour to request you will be so good as to obtain the sanction of Government for the employment of a clerk on Rs. 15-1-20 in the Government Girls' School, Cannanore, with effect from 1st March 1911 and for the inclusion of the necessary provision in the budget estimates for 1911-12.

2. The school has been raised to the secondary grade, and the headmistress reports that she is engaged all day in teaching, that the office work which has now increased considerably has invariably to be done by her out of school hours and that she is afraid that her health would break down if the present strain were allowed to continue. She requests therefore that a clerk may be sanctioned for the school. The Inspectress of Girls' Schools, Southern Circle, strongly recommends the proposal and states that it will be difficult to retain the services of the present headmistress or any other Eurasian graduate unless separate provision is made for clerical work, and she adds that High schools for boys whether under public or private management have a separate clerk on their establishment.

3. I submit the necessary proposition statement in duplicate.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., No. 310, EDUCATIONAL, DATED
31st MAY 1910.

[SUBJECT.—*Employment of a clerk on Rs. 15—1—20 in the Government
Girls' School, Cannanore.*]

*From the Director of Public Instruction, dated 18th April 1910, No. 1335.
Endorsement of the Accountant-General, dated 6th May 1910, No. 2/2035-Mal.*

The Director of Public Instruction requests the sanction of Government for the employment of a clerk on Rs. 15—1—20 in the Government Girls' school, Cannanore, with effect from 1st March 1911. The school has been * raised to the secondary grade and a fifth form has been opened in it from 1st January 1910—*vide* G.O., No. 546, Educational, dated 5th October 1909. The necessity for the appointment of a clerk is explained by the Director of Public Instruction in paragraph 2 of his letter.

2. A draft order sanctioning the appointment is submitted for approval. If approved, it may be sent to the Financial Department for acceptance.

S.K.—18-5-10.

T.K.—18-5-10.

The reasons given by the Inspectress of Schools in support of the proposed employment of a clerk for the school seem cogent, but the Director of Public Instruction has made no attempt to verify the Inspectress's statement that "High schools for boys whether under public or private management have a separate clerk on their establishment." There is only one high school for boys maintained by Government, namely, the Madrasa-i-Azam, and this institution is provided with a clerk on Rs. 20—1—25 *per mensem*. There is in this office no means of verifying the Inspectress's statement above referred to so far as regards the non-Government High schools; but if it is accepted as correct, there appears to be ample justification for giving a clerk to the Cannanore Girls' school. This school is not a complete secondary school and has only classes up to the fifth form; but in view of the fact that there are only ten teachers† including the headmistress for the ten classes in the school (five forms and five standards including the infant standard), the employment of the clerk may be sanctioned. The draft is for approval.
