Sanctioning subject to certain conditions a maximum grant of Rs. 2,000 towards the cost of constructing a building for the Wesleyan Mission Secondary school, Madurantakam.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following papers :—

I

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—the 19th February 1910.

No.—R. C. 624 of 1909.

I have the honour to submit the enclosed application for aid towards the cost of constructing a building for the Wesleyan Mission Secondary school, Madurantakam, together with the necessary plans and estimates and to recommend that a third grant, amounting to Rs. 1,929, may be sanctioned to be paid when funds become available. It is reported that the building in which the school is now conducted is hardly suitable for school purposes and that a more suitable building is required.

II

Note by the Chief Engineer, Public Works Department, dated 30th May 1910.

The Director of Public Instruction submits plans dated 16th February 1910 and an estimate, amounting to Rs. 5,789, for constructing the Wesleyan Mission Secondary school at Madurantakam in the Chingleput district for sanction.

There is insufficient space for the clerestory windows over the terraced roof of the rear hall. Ventilation can be secured by leaving holes 6 inches wide in the masonry between the trusses and covering them with wire-netting as shown in green on the tracing.

Corbel stones to carry the verandah wall purlins are now provided in the estimate.

Suitable scantlings are provided for the roof timbers as shown in green on the plan and estimate.

The estimate has been altered accordingly in the Chief Engineer's office and the amount is increased from Rs. 5,789 to Rs. 6,035. The Superintending Engineer should satisfy himself that the depth and materials proposed for the foundations are suitable.

With these remarks, the estimate, as altered by the Chief Engineer, amounting to Rs. 6,035, is recommended for sanction.

F. J. WILSON,  
Chief Engineer.

Order—No. 321, Educational, dated 4th June 1910.

The Government are pleased to sanction a grant not exceeding one-third of the actual expenditure, nor exceeding Rs. 2,000, towards the cost of constructing a building for the Wesleyan Mission Secondary school, Madurantakam, subject to the following conditions :—

(1) that in carrying out the work the suggestions of the Chief Engineer in his note read above are adopted ;

(2) that the work is completed before the 31st December 1910 ;

(3) that a certificate of the actual expenditure incurred on the work is submitted before the 31st January 1911 ;

2. On the above conditions being fulfilled, the grant will be paid as funds become available.
