 The Secretary for The Government  
 Educational Department  
 Madras.  
 The Executive Engineer.  
 K. R. Project  
 Honoured Sir  
 K. R. Project

On the recent Certificate, granted by your  
honor to be issued, it is stated that I have passed  
in Building Drawing, Machine Drawing, Building Construction  
Geometrical Drawing & Freehand Model Drawing — and  
deficient in Estimating — I was the Senior Student & the  
first Student of the Class drawing the Standard Scholar-  
ship of the College, which can very well be vintified from  
the Principal College of Engineering Madras —

Now you know the Draftman class was abolished & I have no further chance to qualify myself. One subject taught in the College of Engineering are Advanced - There is one Draftman Group Certificate in the Govt School Line. That is also Government. I shall pass the advanced grade of Estimating & request most humbly to favor me with the Group Certificate which is also signed by the Director of Public Instruction - Group Certificate means passing one by one or simultaneously all the subjects & get the Certificate - As I have already passed these four subjects, I require only one & for that I require your honor's favorable permission for Group Certificate. On condition I pass the Advanced grade -

From (Name) The Hon'ble Mr. A.G. Bourne, D.Sc, F.R.S, C.I.E.

(Designation) Director of Public Instruction.

To the Secretary to the Government of Madras,  
Educational Department.

Sir,

In returning herewith the petition from  
T.V.Swaminathan referred to me for remarks with endorse-  
ment No. 551-1, Educational, dated 24th March 1910,  
I have the honour to submit for the perusal of Govern-  
ment the enclosed copy of letter No. 282 C, dated 17th  
May 1910 from the Principal, College of Engineering,  
and to state that I fully endorse the opinion expressed  
therein.

To

The Director of Public Instruction,

M a d r a s.

Sir,

In reply to your M. Reference on Cur. No. 2216 of 1910, dated 4th May 1910, I have the honour to state that I see no grounds for awarding the applicant certificates of having passed examinations for which he has not appeared, and it is quite certain that if granted in this case many other failed students of the college will come forward with similar requests.

2/ The college certificate certifies that the holder has pursued regular courses of instructions in certain subjects and gives the results of the final examinations in those subjects.

2/ The Government Technical Examination Certificate on the other hand is awarded on the results of purely examination tests, and if the applicant is satisfied that his knowledge reaches the required standard there seems no reason why he should not appear for the examinations if the certificate is of any value to him.

4/ In regard to the statement of the applicant that he was senior student ~~student~~ of the class, he certainly headed the list at the Entrance Examination and held a Government Scholarship during the first year but he only took the <sup>twenty</sup> second place in a class of 30 students on the results of the college examination held at the end of that year, and he failed to qualify at the end of the second

second year.

I have the honour to be,

Sir,

Your most obedient servant,

Signed.- W.H.James,  
Principal.

Subject.

Grant of a Draftsman's Group Certificate in Mechanical Drawing to a failed student of the old Draftsman class of the College of Engineering.

-----

The petitioner, T.V. Swaminathan, requests that, as he had passed in the final examination of the College of Engineering in all the subjects prescribed for the Draftsman's Group Certificate in Mechanical Engineering, except Estimating, he may be granted a Draftsman's Group Certificate in Mechanical Engineering on his passing the Government Technical Examination in Estimating.

2. The petitioner was a student of the Draftsman class of the College of Engineering and failed to pass the College final examination held in December 1908. Under the new rules of the College which came into force from 1st April 1907, the draftsman's class of the College has been abolished. The students of the College who failed to pass the final examination held in December 1908 had no special examination held for them <sup>as was done in the case of</sup> ~~the~~ students who failed to pass in December 1907, and their request for a special examination was refused and they were ordered to be given such certificates as the examiners and college authorities might consider suitable in each case - vide G.O. No.514 Edl., dated 7th September 1909. The

form of the certificate to be given was approved in G.O.R.No.370, Edl., dated 29th October 1909. It is this certificate that the petitioner holds at present.

3. As the certificate he now holds does not qualify him for the post of Draftsman and as he has no further opportunity of qualifying himself by appearing for the college examination which has been abolished, he requests to be granted a Draftsman's Group Certificate under the Government Technical Examination Scheme when he passes in Estimating.

4. The Principal of the College of Engineering, Mr. James, to whom the petitioner's request was referred for remarks, states that he sees no grounds for complying with the petitioner's request which is for the grant of a certificate of having passed an examination for which he has not appeared, and that <sup>if</sup> the request were granted in this case many other failed students of the college would come forward with similar requests. The D.P.I. fully endorses the opinion expressed by the Principal.

5. The petitioner's request may therefore be rejected. The draft placed below is for approval.
