Dis. No. 1662D/ruc.10.

Station Camp, Brahmavar, Dated the 22nd May 1910. 190.

From (Name) M. Aziz-ud-din Saheb Bahadur, Khan Bahadur,
(Designation) Collector of South Canara.

To the Secretary to the Government of Madras,
Educational Department.
Sir,

With reference to Government Memorandum No. 841 - 1, dated 30th April 1910, I have the honour to state that the Carmelite Hospice or Students' House appears to have been founded about 20 years ago for the housing of the native Syrian Christian students from Travancore, Cochin and other places who come -- here to prosecute their clerical studies at Saint Joseph's Seminary. The students have to undergo a course of training for a period of 7 years and receive an allowance of Rs.8 each per mensem from their Superior who has his head quarters at Mannanam in Travancore.

2. As regards accommodation, all the 16 students who are now under training are reported to be lodged in one of the two wings of an old building formerly used as an orphanage which has been placed at their disposal by the Jesuit Fathers as a temporary measure, while 3 priests who act as their Directors occupy the other wing, there being four rooms in each of the wings. The Divisional Officer, Mangalore, reports -- after personally inspecting this building that it is ill-ventilated, that it has a very low tiled bamboo roof and that it is hardly spacious enough to accommodate even half the existing number of students.

3. As regards the need for pecuniary help, the Divisional Officer remarks as follows:-

"The number of students appears to be increasing year after year and it would be impossible to accommodate them in the present building. The construction of a convenient building to accommodate at least 24 students would cost not less than Rs.10,000. I understand that the Congregation at Travancore is not in a position to meet even a moiety of the sum. They surely deserve help and encouragement in the construction of the building."

I agree with the Divisional Officer in thinking that the Carmelite Hospice is badly off and deserves some charitable help. The enclosures to the Memorandum are returned.

I have the honour to be,

Sir,

Your most obedient servant,
