Sir,

With reference to G.O. No. 51 Educational, dated 28th
January 1910, I have the honour to report that I held the
enquiry as directed in Badagara on the 21st instant and find
it amply proved with reference to Section 40 (2) of the
Land Acquisition Act that the school ~~is~~ will prove useful
to the public. But I am not satisfied that the acquisition
of the land is necessary to that end, as the jenmi of the
land in question has now offered a lease to the Basel Mission
authorities which appears to be satisfactory to them. They
are negotiating with the jenmi and their ~~their~~ legal advisors
and I will report further when I am notified of the result

of this negotiation.

SUBJECT.

Report on the enquiry held for acquiring land for the Basel Mission School at Badagara.

E

In G. O no 51 Est^d 28-1-10, passing orders on an application from the Basel Mission Educational Council, Calicut, requesting the sanction of Govt under sec 39 of the Land Acquisition Act for the acquisition of the site on which the Basel Mission Secondary School at Badagara stands, the Govt directed the Collector of Malabar to hold an enquiry under sec 40 of the Land Acquisition Act 1894 and to report the result to Govt. The application of the Basel Mission School authorities was necessitated by the fact that the owner of the site refused to execute a fresh lease of it in favour of the Mission and the Mission had found it impossible to procure another suitable site for the school by private negotiation.
